

Maccabi World Union Yakir Award Regulations

1989

The Yakir Maccabi Award will be presented to Movement Members to mark outstanding work on an international level in the Maccabi Movement. Nominees must receive the approval of at least 75% of the Maccabi World Union Executive. The Yakir Maccabi Award Committee includes representatives from each continent and will determine the candidates whose number will be not more than ten per year. Candidates must be 65 years of age or over.

The names of the recipients will be recorded in a special Yakir Maccabi Award book and they will receive a gold pin and certificate. This award can also be presented posthumously and to leaders who pass away before reaching the age of 65. The Maccabi World Union may award the Yakir Maccabi Award as a special token of appreciation to non-Movement members for their work on behalf of the Movement.
