Dear Shumi, dear dr. Atlasz,

We received your letters of the last few days and want to reply as follows:

1) Windmesser

- a. Mr. van der Kar is trying very hard to get you a windmesser in time. The cheapest one offered to him is about \$ 220,-- , which we think rather expensive (if you think not, let us know by return of mail). We cannot get any information about the cheap German one!
- b. Further he contacted the Athletics Unions and we are now looking for a possibility to lend such a messer and bring it over. This is still pending.
- c. The Navy (either mercantile or military) might be able to help you also. We think all the admiralty ships (cruisers, gunboats, etc.) have windmessers. Can you contact them and inform us about the results?
In the meantime we continue our efforts to help you.

2) Anton Geesink

We expect his definite answer one of these days, as he is abroad in a trainings-camp. We shall cable you on this matter.

3) Tennis

A lot of consideration has been given by our committee about the consequences of "international" partnership. We see it in the following way:
For each event (men, ladies and mixed doubles) it should not be allowed to couple the numbers 1 and/or 2 of a country with the numbers 1 and/or 2 of any other country. This means that countries sending only 1 player can only couple this player with a number 3 or lower of another country. And of course the same stands for the numbers 3 and following with numbers 3 and follo-

I hope I made myself clear enough.

You noticed from our entry-forms, that we have 2 men in the team, and that according to our own proposal we look for a double-partner for this number 3!

If you and the tennis-committee take a final decision let me know by return of mail.

4) Accommodation

We hope that your accommodation problems have been solved by now. We also take it for granted that you lodge by team and not by sports. This is a principal issue to us.

Furthermore we hope that those countries that sent all the information you asked in time (and we noticed that you still wait for replies from some countries) will not be suffering of last minute changes due to lack of cooperation of meant other countries. Will you tell us in what rooms the officials will be lodged? By 2 or 3 per room?

Further to our already requested combined lodging of

- a) Goudsmit/v.d. Kar,
- b) Menco/Halberstadt,

we ask you to combine the lodgings of our sportsmanagers as follows: either 4 rooms 2-persons or 3 rooms 3-persons.

5) Will you please send us all details already available for the various sports-time-tables? With the specific course of events.

Many greetings shalom,

Herman.

Dear Shuni

This letter serves to introduce our
very good friend Victor Halberstadt to you.

We send him as Quartermaster but moreover
he is a very good personal friend of Frieda and
me. He has done quite a lot of work in the
organising committee this year and he knows all
the problems you and we face.

I feel this letter unnecessary insofar as
I ask you to give him all assistance he may need:
for I know that you will help as much as possible.

Therefore consider this letter as a renewal of the
personal contact of the past years between you
and Frieda and me; in the first place stating
that we look forward very ~~anxiously~~ eagerly to see you
again. We hope that everything is going well. If
we can be of any help to you, in this last hectic
week, just tell it Victor and we'll do our best!

Many greetings also for your wife, and Shalom,

Leena

Dear Friends,

1) First of all I want to confirm good reception of all the letters mentioned by Atlasz in his letter of august 4. Part of them crossed with mine but by now I suppose everything has been dealt with by both of us.

Except your letter of august 9 re gymnastics: Only page 1 arrived here! Will you please send me an extra copy?

And I did not yet receive answers to the questions in my letter of 3 august, unless they were in the letter just mentioned.

But now to the point:

- 1) Gymnastics: Of course we shall do everything to help our Israelian friends and we accept your proposal. But from your point of view I should advise you to keep the motivation out of the publicity.
- 2) Windmesser: After talks with suppliers and officials Leo van der Kar was told that the cheap thing you had in mind is no good and not in use at important sportsmeeting. So we decided, anticipating your reply, to order the good one in Germany, which cost ca. \$US 160.--. This will be flown into Amsterdam airport, and brought as "sports luggage" by our men.
- 3) Vaccination: circular letter 15, received on august 5, tells about the tetanus. According to our medical advisors one needs 2 shots, the second one 4 weeks after the first. We were advised to bring the serum and inject this after an eventual injury.
- 4) Composition of team and accommodation:
 - a) Swimming: Yesterday the regional and national championships of the Netherlands came to an end. To our deepest regret this 14-days lasting events learned that all 3 selected (2 boys and 1 girl) failed completely. For this reason and also through the publicity given in Dutch sports circles we are forced to withdraw these 3 from participation, a decision difficult, as no swimmers from Holland will be in the game.
 - b) Cycling: Due to an error in my correspondence, we did not add Mr. Redeker Sr., who as in 1957 and 1961, will act as technician and soigneur for the cyclists. He arrives 23d of august and leaves on the 31. Will you please add him on the accommodation list for the Netherlands team during this time?
 - c) Photo's: enclosed please find the fotos of Miss Vera van Os and Mr. Redeker, which were missing from the previous shipment.
 - d) Publicity: Will you please notify Mr Alexandroni of the withdrawal of the swimmers, so tha he can change the press bulletin we sent in some time ago accordingly?
- 5) Mr. Halberstadt: For order's sake I reconfirm his arrival on Sunday 15 August, with the 5 o'clock plane Air France from Roma. With him is Frits Tugendhaft, of the Maccabi-board, who however has nothing to do with the organisation of the games.

Dear Shumi,

Just after my long letters had left, yours of 26 th July arrived.

- 1) Re.: Anton Geesink. We had nothing else in mind as you had in 1961 when 2 outstanding american sportsmen cared for part of your publicity for the Games. Judo is a popular sport in maccabi-circles these days and Geesink has won world-fame. He is able to perform an exhibition (as in chess: simultaneous) with some 30 judoists and knows to cede victory to a young boy of six years!

To avoid misunderstandings: we only thought of your interest. We never had in mind to bring him in our team. So, also all expenses will be yours! And you have to decide whether this stunt is worthwhile.

If this is sufficient to you as advice, please let me know your idea by return of mail for time is short now.

- 2) Tennis: letter follows next week
3) shooting: please turn to next page.

Dear Shumi,

I hope to see you soon in Israel.
Many regards.

3. Shooting Competitions.

a. Letter of Col. Morse (25. july?).

I feel a lot of sympathy with his proposals, especially if the Maccabiah Games were only a shooting event.

As Chairman of our Netherlands Committee, responsible for all sports, I often think of the boy, who travels thousands' of miles and is 0.1 second too slow in the 100-metres series.... He has to get dressed again (after \pm 11 seconds of action) and wait for the departure of his plane. Unless he feels himself part of his

national team and cheers the achievements of his fellow-sportsmen. Now from the point of view of shooting: Our man, Kets de Vries, participates in prone rifle, pistol and clay pigeons (Holland is a small country with a small jewish population). The time-schedule is already hectic to him and any change might oblige him to withdraw from one or more events (the same stands no doubt for most of the smaller countries). This would lead to diminishing numbers of participants and devalue the achievements of the winners. So, the conclusion is simple: We do not see possibilities to support his proposal. The only thing we should like to be changed is the training-time. For most teams arriving on Friday or Sunday -which we are forced to- it is no use to hold trainings on Thursday and Friday. A copy of this letter will be sent to Mr. Morse.

b. Clay pigeons:

1. Mr. Kets de Vries received a letter to-day from Colonel Maxim Kahan. Kahan writes, that we have to bring our own ammunition, whereas on your indication we just decided not to do so.
Will you please contact each other and let me know the decisions by return of mail.
2. Moreover the Colonel asks for names of the competitors. I think those requests should be made along the normal organisational lines. You now have our entry-forms B. (with the comment) and I am sure you already passed on the names to our friend Kahan.
3. For order's sake I send a copy of this part of my letter to Col. Kahan.

Greetings
Herman

Tel Aviv.

Dear Dr. Atlasz,

Many thanks for your letter of July 26. Some of its contents have been dealt with by my other letters of to-day. On some other things I comment:::

1. Shooting: I note, that you provide the ammunition, so we shall not bring any with us.
2. Halberstadt: I made an error by dating his arrival on July 15th. This must be: 15th. of August. He hopes to arrive in the evening at 9.45 hour at the airport (flight LY 414 from Paris). Can somebody meet him there?
3. Outstanding sportsmen: As you did not deal with our suggestion regarding world-judo-champion Anton Geesink, I conclude, that you found other outstanding sport-representatives for the 7th. Maccabiah. Therefore we left the subject.
4. National flags: 2 large one's and 10 smaller one's will be handed over to you by Mr. Halberstadt on August 15th.
5. Information about our team: With this letter you find a short description of our team for press and other information. I send 1 extra-copy for Mr. Alexandroni.
6. Fencing: Our coach wants to know the "system" of the competitions. Are there poules only or do you intend to have poules and "élimination direct"?
7. Tennis: May I once again ask your attention for the possibility to form "internationally" composed doubles.
8. Liaison-officer: We nominate Mr. A. Vaz Dias of Ramat-Chan, rechoy 101, nr. 19, who will be assisted by his son (Jaap). You will soon hear from him.
9. Embassy-reception: As our Embassy is one of the few, situated in Jerusalem, a reception will not be easy. In the meantime the Ambassador has been approached by a mutual friend on this matter.

As always awaiting your soon reply, I remain, with many greetings,

Re: Circular Letter No. 14 - Photographs of the Officials

We would like to acknowledge with thanks the receipt of your Circular Letter No. 14.

As far as we can see you have not earlier asked for pictures of the officials, only of the competitors and that is the reason why we have not sent them.

Anyhow, your request has now been noted and enclosed please find the pictures of our officials as follows:

Eckert, Peisach	(table tennis & tennis)
Kjisik, Leo	(athletics)
Mitzner, Abraham	(wrestling & judo)
Schubak, Margalit	(athletics, girls)
Wardi, David	(captain & shooting)
Weintraub, Simon	(delegate)

Re: Gala Evening and Farewell Party

Under Point No. 6 and 7 you are writing that every team member will get a free ticket. Kindly note that:

- 1) our official Mr. Abraham Mitzner is taking his wife Mrs. Raja Mitzner with him to Israel,
- and
- 2) our delegate Mr. Simon Weintraub is taking his wife Mrs. Raja Weintraub and his daughter Miss Ethel Weintraub with him,

and therefore we are taking the liberty of asking you to reserve 3 extra tickets for these persons.

Thanking you in advance, we remain,

Dear Dr. Atlasz, dear Shumi,

Enclosed I send you the entry-forms B. for all the sports in which we hope to participate. Please note the following remarks:

1. TENNIS: We still have no reply to our demand for "international" partnership in the doubles (see letter of June 25th.). This means, that the number of participants is O.K., but the composition of the doubles is to be fixed later.
2. CLAY-PIGEON SHOOTING: One of our candidates has fallen ill. This means, that we possibly have to withdraw the team, which we shall let you know naturally as soon as possible.
3. The foto's will be sent by separate mail.
4. Any last-minute change, which we hope will not occur, will be communicated to you immediately.
5. Mr. Horn: We cabled you: "Reply Horn negative stop. Strong reasons personal circumstances". We are very sad about this, but as we know the reasons, that are strictly personal, one has to accept.
6. Mr. Paulen: We transferred to-day the amount of \$. 294.90 to his account and we expect you to credit our account for this sum.

THE TEAM OF THE NETHERLANDS AT THE VIITH MACCABIAH =====

The Netherlands team for the VIIth Maccabiah consists of 35 men and 9 women, teamleaders and coaches included. They will participate in 10 sports: athletics, swimming, tennis, fencing, shooting, cycling, gymnastics, boxing, wrestling and judo.

Among them are well-known athletes from previous Maccabioth, as well as new young and promising boys and girls.

Fencing

The team will consist of 5 male and 2 female participants, amongst them Jacques and Max Dwinger, David van Gelder (all Dutch internationals), Mary Kats and Mary Meyer-Van der Sluis. The latter shall defend her titles of 1957 and 1961. The team is completed by newcomers Loek Groenteman and Jaap Vlessing.

Gymnastics

Joost Blits - also a medal ^{winner} ~~winner~~ of 1957 and 1961 - will be coached by Willem Zwaaf, who participated in the Olympics of 1928 and is a Maccabiah-winner of 1950.

Tennis

21-year old Tom Okker, whose star has quickly risen in this year, after successful tournaments in Australia, South-Africa and England will play. He was finalist in the open Dutch championship in July 1965, where he had to leave the victory to Newcombe (Austr.).

National youth-trainees Miss Ineke van Wezel (18) and Peter Ehrlich (17) - both Maccabi-breeds - are also in the team, together with other Maccabi-routineers as Mrs. Marianne Wachtel and Ab de Jong.

Athletics

Selma Heystek still going strong on 80 meter hurdles will defend previous Maccabiah-titles. In the team also last year's Dutch-girls javelin champion Carry

With regard to the accommodation of the officials, I would appreciate it if, as I have already previously written to Mr. Tory, I have to be accommodated in a Double Room, that you clearly indicate I share with Mr. Goldwhite. If I have to be accommodated in a three bedded room, which I hope will not be necessary, then I would like Mr. Graham housed in the room.

I do hope that all this is clear and if there are any queries, will you please write to me at my own address.

Dear Dr. Atlasz,

Thank you for correspondence received here during the past week, when I have been absence on a business trip.

Entry Forms letter 'B' have been received and will be completed and returned as soon as possible.

Re: Officials and Judges, the following are available:—

Stanley Rose - Cycling.
Keith Gilbert - Tennis.
B. Helfgott - Weight Lifting.
Lou Hoffman - Table Tennis.
G. Jurke - Athletics and Gymnastics.

Regarding the equipment, we will most certainly get all that you want. We are getting most of it from the London County Council at manufacturers cost price and we will have to buy the balance.

I am still awaiting however, your confirmation regarding excess monies that we will have to spend over and above the cost of our team.

cont'd.....

Regarding your queries on our Entry Form for Wrestling and Judo, this will be finalised to your satisfaction on Form 'B'. We were not sure of the detail when form 'A' was returned.

Regarding Fencers, we shall be sending two fencers, ~~1955~~. Unfortunately the Olympic Fencers Jay and Cooperman will not be sent. The latter two gentlemen required special flight *and* resident arrangements and we could not extend ourselves to the special finances that would be involved. We too are disappointed.

Regarding Mr. Oscar State, he will be flying with EL AL four days after the British Maccabiah Team and therefore he will not benefit ~~from~~ the cheaper rate we get. I have asked him if he could travel with the Team, but he advises that as he cannot leave England until the 22nd and does not know the date of his return, he will have to travel without the team. A copy of my recent letter to Mr. Oscar State, is enclosed.

✓ Details of the additional events (Marathon, 400 metres race for women and the 4 x 100 metres freestyle relay for men) is noted.

✓ At the sametime, may I most gratefully accept your invitation to the opening and closing Ceremonies of the 7th Maccabiah and would be obliged for your reserving two seats in my name.

I personally will be staying in the Sheraton Hotel in Tel Aviv and hope to have the pleasure of meeting you once again in the not too distant future.

Yours sincerely.

S. Farleigh
S. FARLEIGH.

THE INTERNATIONAL MACCABIAH GAMES COMMITTEE
30, Idelson St.,
TEL AVIV

for the attention of Mr. Atlas, Esq.

Dear Sirs,

I hurry to reply to your letter dated 30th ult., as follows:

Referees:

I have immediately contacted Mr. Poch who will be pleased to take the place of the referee at the football match of 31st August between the Israel National Team and the Football Club Torino. It will be a great honour for him and he accepts with pleasure. I went immediately to the French Football Federation, but they could not take appropriate action concerning my request. Your application for authorisation for Mr. Poch must directly be sent by the Israel Football Federation to the French Football Federation. It is not by the intermediary of MACCABI FRANCE, but only directly from Federation to Federation that the authorisation can be obtained. Furthermore, I do not think that the Federation will give their agreement concerning Mr. Poch who is referee of a league but not Federal Referee. It is up to you to judge and to decide.

Senateur Vigier

He will arrive with his group of 20 tourists on 19th August at 15.05 p.m. in Lydda. I had two interviews with Mr. Walter Eytan, Ambassador of Israel in Paris, concerning his stay in Israel, and I think that by the intermediary of the Government receptions in the honour of Mr. J.L. Vigier will be organised.

Football

We agree perfectly well with you. The football team comprising 17 persons will stay at the Maccabiah Village from 23rd to 31st August.

Réponse à M. Th. HAAS, 20, rue Nungesser-et-Coli, PARIS (16^e)

1237 / Volleyball

It has been agreed to that we send a team to the 7th Maccabiah.

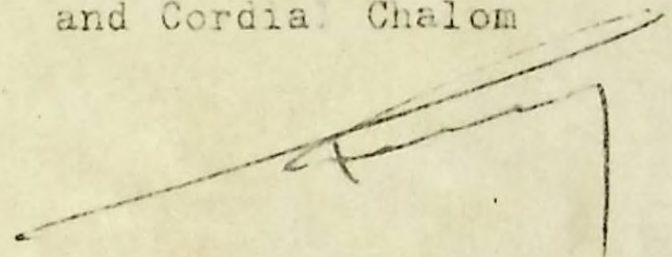

Junior Group

The youth group of 23 persons of Wizo left on 29th July for Israel. The leader will come to 30 Idelson Street. I ask you to give him 23 tickets for the inauguration ceremony on 23rd August. They will not be able to assist at the parade because they stay in the Kibbouz at Neguev and they come specially by car to assist at the ceremony.

As to the totality of the French Selection for the 7th Maccabiah, please find enclosed copy of the list which was already sent to you. The Entry Forms B will be sent to you by the end of this week.

With best greetings

1 Wrestler : Brian Schüstein, coach his father Leo Schüstein.

Chairmann of the Danish Maccabi Committee will be Mr. Josef Nachemsohn, and Captain of the Danish team will be Mr. Reinhold Nathansohn.

As to the football team, the coach Mr. Arno Nielsen might be wellknown to you. Arno Nielsen was a very clever player when he was young and have had several matches on the Danish National Team before he was forced to go to Sweden in 1943 owing to the Nazis. In Sweden Arno Nielsen continued to work as coach and had great success there until he decided to return to Denmark, where he got engagement with the biggest and most wellknow clubs in Denmark. Arno Nielsen has been with us for a long period of four years and will finish after the 7th Maccabiah.

Otherwise Finn Rudaizky is a very wellknow footballplayer here, and have had some matches on teams in the danish first and second division.

Further there is Lazlo Fischer - borned in Hungaria where he left in 1956 for Israel, and afterwards for Denmark. Lazlo Fischer has been on the Hungarian National team for under 18.

Page 2....

Three Israelian boys, who have worked here for over three years have all played with us since the very first day they arrived. Jacob Gibori, Salmon Messaud and Leopold Lazar.

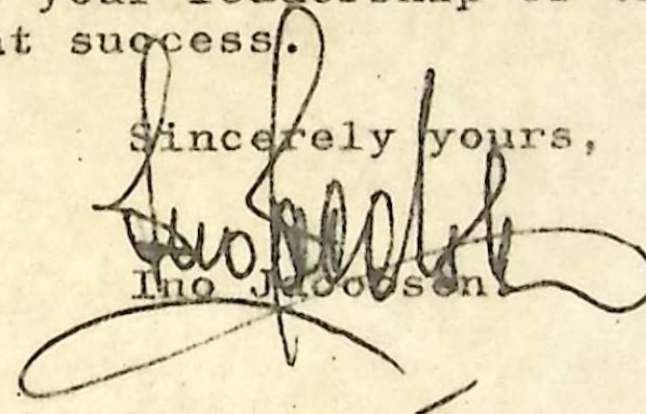

The wrestler Brian Schüstein is very promising. He is Copenhagen Champion in flyweight this year for juniors - he is under 18 - and has been on several Copenhagen teams. His father Leo Schüstein who has brought him up, is a very outstanding and well known coach amongst our wrestlers, and have been working as coach for the famous club Dan in Copenhagen, and has also worked for all Copenhagen clubs when training the teams for international matches.

Leo Schüstein is the best wrestling-instructor for juniors in Denmark, and I will recommend you to get an interview with him about wrestling, and especially about youngsters.

It is superfluous to say that all persons mentioned above have their work in various firms to attend to besides the sport, but notwithstanding this fact, they have all spend almost all their spare time this winter and summer for the benefit of the 7th Maccabiah, and we do look very much forward to come to Israel.

At the same time I would like to send all our best wishes to you and we do hope that your leadership of the press and radio dept. will be a great success.

Sincerely yours,

Leo Jacobsen

Dear Robbie:

Re: munition.

We have the offer from CIL (Canadian Industries Ltd.) and/or Winchester Limited, to let us have 3 cases of munition for the trap shooting competition.

These 3 cases would weigh approximately 200 lbs. Do you think it is worth it to send the munition by air - as we might have difficulties arranging with the EL-AL to have it flown over along with the team to Israel.

May I hear from you on this subject.

Cordially yours,

Fred B. Oberlander

Dear Robbie:

After discussion with Max Lovell, I am answering the letters of June 30 and July 11, with the various questions involved.

In respect to gymnastics, and a mat you now ask for. This is not a simple matter. We shall try to do something about it and, frankly, I cannot understand why the one at Wingate should not be made available for this occasion. It was quite a project getting that one together - 12 x 12 meters is a very big stretch.

Judo Referee: The matter of our bringing a Judo referee is still up in the air. We are trying to find the funds for it. Frankly, we have so many calls upon us now, and we are investing so much in equipment and extras, that we really cannot afford it, but we shall continue to see how we might be able to manage.

Sam Mosberg has been paying a minimum dues to our organization for the last couple of years, so we cannot have any real objection to his serving you in boxing.

As far as Barney Felix is concerned, he has never done anything for Sports in Israel or boxing in Israel. The contrary is even true.

Now in respect to boxing, Lt. Col. Phil Cohen is definitely coming with us. He is the Deputy Commissioner for the State of Pennsylvania, and is a

A project of the United States Committee—Sports for Israel, Inc.

great authority on boxing. As a matter of fact, I think it was he who ran the tournament in 1961. We, therefore, recommend, first of all, that you appoint him an official in charge of that part of the sports program. He is willing to undertake it again, but it would be nice if there was some kind of an official letter.

Here is his address:

Lt. Col. Phil Cohen
Havertown Sport Shop
1627 E. Darby Rd.
Havertown, Pa.

In addition, Lt. Col. Cohen, who also serves as our Boxing Chairman, has asked me to inquire as to what is the status of the gloves which will be used. Are you providing them as is customary in international competition?

The formal invitations have been received and mailed out.

Marathon: We are entering two, and perhaps 3 people in the Marathon.

As far as we are concerned, Sam Fox is your official, and we are planning to bring a separate basketball official to represent us.

As far as wrestling referees are concerned, in addition to Harold Rosenberg, who is considered the best in the world, Henry Wittenberg is coming, and he can serve as a referee.

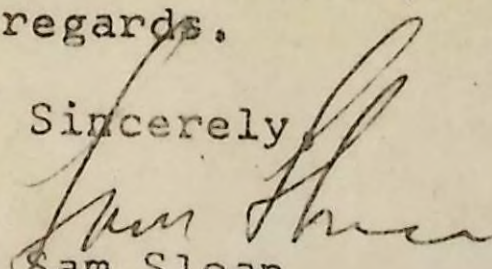

As far as men's golf is concerned, it is our understanding that while the team is of six, additional players can participate in the individual competition.

We are trying to cut our list of entries down, but we are simply flooded with top-notch athletes, and my firm belief is that there will be no less than 170. However, a number of them, such as golfers, trap shooters and some tennis players, will not stay at the Maccabiah Village. We shall give you a more exact breakdown pretty soon.

We had a meeting today, and pretty much decided to sponsor an affair for our whole American delegation on the evening of August 23rd, after the opening ceremonies. Would you please, therefore, try to see to it that there are no conflicting affairs in which we would be involved.

That's all for now.....best regards.

Sincerely,

Sam Sloan

Dr. R. Atlasz,

Dear Roby:

Thanks for your letter dated 15th July. I will ask Judge Batshaw to get in touch with you when he arrives in Israel, and will send him a copy of your letter.

RE. STRENGTH OF THE MACCABIAH: *TEAM* In our first entry form we obviously gave the number of potential athletes. However, the poor performance shown in trials gives me to believe that our team will not be larger than 15 to 25, depending on how we go along with the basketball team, which, at the present moment, is doing its damnest to get on the "definite" list.

It is for this reason that we will only be able to give you the exact number on or before August 1st. My guess is that with the golfers included there will be 25 at the most.

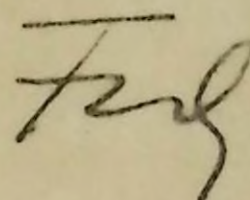

As to Phil, he is fitter than any one of the athletes going, but not fit enough, in his opinion, to justify his selection for the team. Consequently, he is not going. His blood must contain some "yeckische KEIT".

RE. CROTHERS: I assure you I am not dilly dallying but here is the problem which you must understand. Crothers has just returned from Europe, and being a partner in a pharmacy, he has difficulty in (a) training (b) travelling. He is unable, because of this, to travel to and from Israel with the team but would have to get an ordinary return ticket at a cost of well over \$800.00. Furthermore, as his last tough competition this season is a mile race next Saturday, where he will try to break, as the first Canadian, the four minute mark, he has no intention of keeping on, after that, in shape or competing against athletes from Poland or anywhere else. He is willing to make an exhibition appearance, at which he will not be beaten. He is, in no way, an anti-Semite, as Pierre feared.

Now, after explaining all this and our difficulties in bringing our own Canadian Team, are you still so anxious that we spend all this money, as it may be?

We will do our utmost and will keep you informed.

Cordially yours,

Dear Schumi,

Thank you very much for your letter of July 25th.

As Pierre Gildesgame is now in Italy, we are examining many of our financial problems trying to find a solution.

In any case, however, the Team will not be strong, as many important athletes are compelled to cancel their engagement. The diving silver medal 1961 Levi Mortera has been included in the Universiades Team. The famous sabre champion Salvadori will also go to Budapest. I am in contact with the Italian Fencing Federation in order to obtain that he could be present also in Tel Aviv. Please give me as soon as possible the dates of sabre because in the program you have indicated only "fencing" and not the details.

Other forfeits: Portaleone, bronze boxing medal 1961, and Perugia Italian champion of judo (both in the Army: I am trying to obtain a special passport); Dalla Torre, swimmer, second best time in the breast style, Italian junior national Team: owing to the bad results in his study, nothing to do with his father; the tennismen Menasci, Castelnovo and Benadi all engaged in other tournaments or in their work; Mrs. Norsa gold medal 1961 (Maccabiah athletic record) had a baby; cyclist Calò, silver medal 1961, lost his left hand; and so on. Please give these news also to Mr. Alexandroni and Dr. Atlasz.

Owing to the financial situation and these technical reasons, I have cabled: COMPELLED DELAY ENTRYFORM. I have also cabled asking that somebody must go to the airport to meet Mr. Weiskol (El Al 442 of the 4th August) in order to receive all the flags.

I have also received yours of 22nd July with the maps of the Road Cycling event: we hope that the Negev will not be too hot in that day. Please give us some information about the return of the athletes to Kfar Hamaccabiah after the arrival.

Yours sincerely,

Dear Dr. Atlasz:

We are enclosing the Entry Form "B" for Swimming (Women) since we have only now been able to raise the funds to send these participants to the Games. Miss Manoela Yacoel is our state and city champion and holds the state record for 200 mts. free style.

In one of your Circular Letters you mentioned that the delegations could be receptioned at the Embassies of their native countries through your Committee. We would appreciate it very much if you would arrange with the Brazilian Embassy to receive us at a date most convenient to them, either the Friday or Saturday as you suggested.

Regarding our liaison man, we are counting on Mr. Moyses Snitcowsky, who is now a resident of Tel-Aviv, and who will be joining us upon our arrival.

Also enclosed with this letter you will find a part of the pictures of our participants. The rest of the pictures will be sent to you as soon as possible.

Looking forward to meeting you soon, I remain

To the
VII Maccabiah Organizing Committee

Dear Sirs:

We apologize for an unavoidable delay of our Entry Form "B" due to an uncertainty as to the participants of our delegation. They are in the majority young people in school and university and in our country it is not vacation time in August. We also have financial difficulties because of the great inflation in our country.

We now have solved these problems and shall be arriving in Tel-Aviv on the 22nd of August with a delegation of 42 people to be housed at the Maccabi Village. There will also be about ten members of the Executive of the Brazilian Maccabi Confederation who will be staying at the Dan Hotel. These executives will arrive a few days before the opening date together with Mr. David Kopenhagen.

For accommodating us at the Village our delegation is comprised as follows: a) Swimming- 9 competitors, 1 official b) Basketball- 12 players, 1 coach, 1 official. c) Volleyball- 12 players, 1 coach, 1 official. d) Tennis - 1 competitor, 1 official.

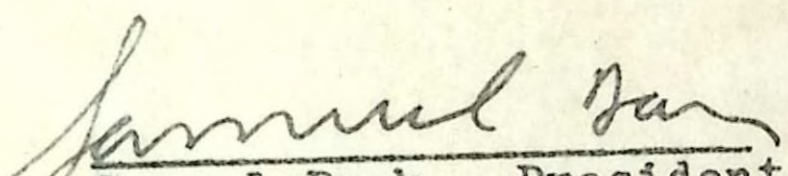

In accordance to Brazilian law for delegations leaving the country with more than 25 participants, we are taking a physician and a member of the press. They will act as officials. This brings our total to 42 participants.

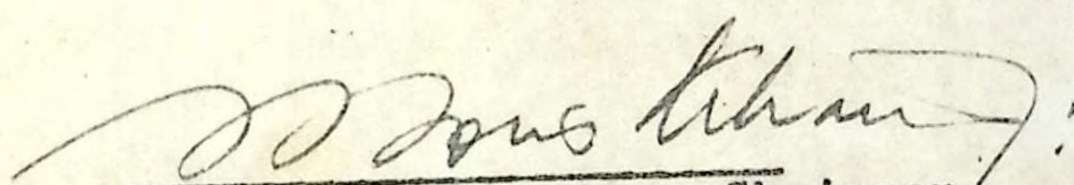

In answer to your Circular Letter no. 14, item 4, we offer

2

some information about our participants. The swimming team is comprised of athletes (ages 13 to 16) who have been swimming competitively for only two years. Their participation is more for the sake of learning and stimulation. The basketball team is the same one that participated in the last Maccabiah except for four new players. Our volleyball team has three outstanding players (Carlos Nuzman, Arnaldo Jagle, Milton Kohn) who are in our national and olympic teams. Finally, our only tennis player, Miss Lena Fineberg, 17, is Brazilian Juvenile Champion.

Enclosed you will find the complete list of participants as requested in your Circular Letter no.2. The two photographs of each participant will arrive separately within a few days. Please accept our thanks for accommodating all of us at the Maccabi Village.
