שלום רב,

שמחתי לקבל את מכתבכם (8/1/89) ואת האיחולים החמים שצרפתם.

אנו ניצבים בפני אתגר כלכלי הדורש מכולנו מאמץ והקרבה.

אין לי ספק כי אם נדע להטות שכם, נצליח להציב את ישראל על פסים של

תעסוקה, צמיחה ועצמאות כלכלית.

בברכה,

סדרת הנשיא לפעילי המכביה ה-13

אני שמח לברך אתכם חברי הועדה הבינלאומית של המכביה ה-13, ראשי ומשלחות ופעילי תנועת מכבי במפגשכם זה. משחקי המכביה הינם לא רק אירוע ספורטיבי מרשים בו נופלים חלק טובי האתלטים היהודים מכל קצווי תבל, אלא גם מפגש אנושי מיוחד במינו. במשחקי המכביה מתוחדכים אתלטים יהודים זה עם זה ואלה עם עמיתיהם מישראל. זהו מפגש שיש בו גשום חיזוק תחושת האחדות של העם היהודי עם מדינת ישראל.

אני משוכנע שצמאות האוכלוסים היהודים והישואלים, השואנים והפעילים יצאו במגעם הבלתי אמצעי כר נרחב להידוק הקשרים, להגברת תודעת משמעותה ומרכזיותה של מדינת ישראל לפני העם היהודי, וכמובן גם לעידוד ופיתוח הספורט במדינה.

כבר אמרו חז"ל "נפש בריאה בגוף בריא". ומי כמוכם מודע לתרומת הספורט, על ענפיו השונים, לשיפור איכותו והאנושית של האדם באשר הוא. הספורט פורץ גבולות, מקרב לבבות ויוצק בעוסקים בו אמות מידה חשובות של הוגנות, נחישות והתמדה – תכונות הכרחיות בכל תחום ושגשג על חיינו הפרטיים והציבוריים.

מדינת ישראל מקדמת בברכה את פני המכביה ה-13 ורואה במפעל זה מסגרת ותכנים שיש לעודדם, לטפוחם ולהגבירם.

אני מאחל לכם מפגש פורה ועמכם מייחל למשחקי מכביה עשירי הישגים ברוח של אחווה וידידות.

מדת הנשיא לפעילי המכביה ה-13

אני שמח לבדך אתם חבדי הועדה הבינלאומית של המכביה ה-13, ראשי המעלחות ופעילי תנועת מכבי במפגשם זה, במשחקי המכביה הינם לא רק אירוע ספורטיבי מרשים בו נוטלים חלק טובי האתלטים היהודים מכל קצווי תבל, אלא גם מפגש אנושי מיוחד במינו. במשחקי המכביה מתחככים אתלטים יהודים זה עם זה ואלה עם עמיתיהם מישראל. זהו מפגש שיש בו משום חיזוק תחושת האחדות של העם היהודי עם מדינת ישראל.

אני משוכנע שמאות האתגלים היהודים והישואלים, המאמנים והפעילים ימצאו במגעם הבלתי אמצעי כד נרחב להידוק הקשרים, להגברת תודעת משמעותה ומרכזיותה של מדינת ישראל לבני העם היהודי, וכמובן גם לעידוד ופיתוח הספורט במדינה.

כבר אמרו חז"ל "נפש בריאה בגוף בריא". ומי כמולם מודע לתרומת הספורט, על ענפיו השונים, לשיפור איכותו האנושית של האדם באשר הוא. הספורט פורץ גבולות, מקרב לבבות ויוצק בעוסקים בו אמונת מידה חשובות של הוגנות, נחישות והתמדה - תכונות הכרחיות בכל תחום ושטח של חינוך הפיזיים והציבוריים.

מדינת ישראל מקדמת בברכה את פני המכביה ה-13 ורואה במפעל זה מסגרת ותכנים שיש לעודדם, לטפחם ולהגבירם.

אני מאחל לכם מפגש פורה ועמוס מיחל למשחקי מכביה עטורי הישגים ברוח של אחווה וידידות.

13th MACCABIAH - JULY 1989

CIRCULAR NO. 1

We are glad to enclose the minutes of the International Maccabiah Committee meeting. These minutes, together with the Conclusions report will be the foundation to successful planning and execution of the 13th Maccabiah.

We hope that in every country the Organizing Committee will be established as soon as possible to take charge over all the operations concerning the organizing delegation to the 13th Maccabiah.

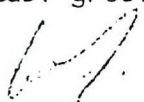

We would appreciate it if any queries or questions concerning the International Maccabiah Committee will be directed to the Chairman of the International Maccabiah Committee, Michael Kevehazi and the queries and questions of organizational substance will be directed to the Chairman of the Organizing Committee of the 13th Maccabiah, Arie Rosenzweig.

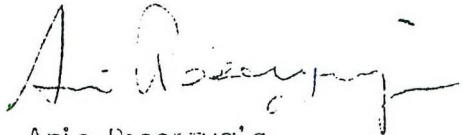

This circular is the first in a series of circulars which will be circulated to the countries often. It would be a good idea if you would file them in a special file in order and if for some reason you would discover that you are missing one of the numbered circulars. In such case, please do not hesitate to contact us in order to be updated. The information and instructions contained in these circulars will be treated as official. They are part and parcel of the rules and regulations of the games.

Please inform us upon the establishment of the local Organizing Committee, including details of the key position holders as well as the name of the person to whom the official Maccabiah mailing should be directed.

We hope that our joint efforts will succeed in organizing in Israel the Bar-mitzvah Maccabiah successfully.

With Maccabi greetings.

TO: Executive Members
T.O. Chairmen
IMC Members

Dear Chaverim,

Attached please find background material regarding the 13th Maccabiah which we trust will be the greatest ever held, together with the story of the Maccabiah Games.

I would very much appreciate it if you will distribute this material to the Jewish press in your country.

I shall be obliged if you would send us a copy of the text of the material when it appears in your press.

With Maccabi greetings,

Zvi Eyal
Chairman
Press, Radio, T.V. Department

THE STORY OF THE MACCABIOT

The 13th Maccabiah, the Bar Mitzvah Maccabiah, will be the greatest and most spectacular Maccabiah ever held. The Maccabiah - sometimes called the Jewish Olympics - is the greatest sport and cultural event in the Jewish Nation

Yosef Yekutieli was the originator of the idea of the Maccabiah. The first Maccabiah was held in 1932 and the second, in 1935. Then followed the period of the Second World War in which no events were held. The third Maccabiah took place in 1950. Since then, they have been held every four years in Israel.

The numbers of participants increases from one Maccabiah to the next. Excellent organization and remarkable results have brought recognition by the International Olympic Committee who awarded the Maccabi World Union the status of an "International Federation of Olympic Standing", as well as all the international sports federations.

The Maccabiah is open to every amateur Jewish sportsman and athlete and the International Maccabiah Committee, headed by the Maccabi World Union, is the highest authority organizing the event.

The importance of the Maccabiah is not only the level of sports achievements but also the fact that thousands of young Jewish athletes come to Israel to compete with each other and have their first impressive experience in Israel. The scope of the Maccabiah has been widened and cultural, educational and social events as well as seminars, congresses tours of Israel and exhibitions are included as part of the official Maccabiah programme.

To be at the Maccabiah is a real challenge to every young Jewish boy and girl. Sport, educational and cultural preparations in every Maccabi Club start many months before the games, thereby bringing young Jewish people together and being an excellent means to fight against assimilation.

We are confident that, as happened in the past, many of the athletes who come to Israel to participate, will stay on or return to Israel as Olim.

WHOSE WALL?

Moshe Kohn's Article in Jerusalem Post
of Friday, July 21, 1989

This interesting article raises some fundamental issues, the comments having been triggered by the Closing Ceremony of the 13th Maccabiah.

As Chairman of the International Maccabiah Committee, in this response I could not separate the official reaction from my personal one as an observant Jew.

The first comment has to be: The Wall is certainly not the exclusive property of a self-appointed group of fanatics. The behavior of the 30-40 Haredim who systematically tried to disrupt a State Ceremony by hysterical behavior comparable to the scenes shown on television at Khomeini's funeral were degrading. Their reaction reached its climax during the singing of Hatikvah, representing the Zionist State which they do not recognize. The constant noise and cat and mouse game with the Police was a desecration of the holiness of the designated prayer area. The subsequent placing of a tear gas grenade only showed the limit of extremism and total disregard of the safety of fellow Jews. If our claim to the continuity of a unified Jerusalem has any validity, as it undoubtedly has, it is based on the Jewish Holy Places being a sacred symbol to the whole Jewish people and not only to a fanatic intolerant faction who do not recognize our State.

A few facts about the ceremony itself. All details were worked out with the Rabbinate of the Kotel and the Ministry of Religions. They recognized the special importance of bringing 10,000 Jews from the world over to a ceremony at the spiritual center of the Jewish people for a dignified State occasion with a clear religious content. In addition to individual prayers of hundreds of participants at the Wall itself, the ceremony included only parting messages from the Prime Minister, Minister of Religions and myself. All speakers emphasized the significance of gathering at the Wall. In addition to a symbolic Bar Mitzvah ceremony, the ceremony included the Sheheheyanu prayer by the Chief Chazan of the Army, the Army Rabbinate Choir and "Jerusalem of Gold". The fireworks were not at the Wall.

The overseas participants felt that they were given a moving and Jewish message and a better understanding of the significance of Jerusalem. It is us who remained, who are now engaged in another divisive argument.

ספורטאים מקובה נרשמו למכביה

4 גברים ו-3 נשים ממועדון מכבי בהבאנה • 50 ספורטאים עשויים להגיע ממוסקבה

מאת גולן חזני

שיבועה ספורטאים יהודים מקובה נרשמו למכביה ה-13, שתחל ב-13 ביולי. מדובר בהיסטוריה קטנה, שכן הסתם מתאפשרת כתוצאה מהגלאסנוסט בברית"מ.

כבר לפני שנתיים הקימו יהודים בהבאנה מועדון ספורט בשם "אגרון". בראשו עומד בחור בן 22 בשם אלברטו באוס אשכנזי. המועדון גדול למדי, וכולל בין היתר אולמות להרמת משקולות והיאבקות. אשתקד הסכימו השלטונות לבקשה לשנות את שם המועדון ל"מכבי", תה"ל"ך דומה לזה שעבר מועדון

הקובנים, שלוש ספורטאיות וארבעה ספורטאים, יתחרו בארבעה ענפים: שחיה, סיוף, שחי' מט וקראטה. בקובה יש קהילה של 6,000 יהודים, רובם מתגוררים בבירה הבאנה. מרקוס ארבייטמן, נשיא המכבי העולמי, הגיע לשם לפני קצת יותר משנה, ויצר קשר עם ראשי הקהילה.

לעזור לו ביצירת קשר עם ספורטאים יהודים בכל העולם. סניף נוסף של מכבי נפתח בדצמבר האחרון במוסקבה, גם כאן באישור השלטונות. זהו הסניף השני בברית"מ אחרי הסניף בלטיביה. מהסניף הודיעו, שישלחו לישראל 50 ספורטאים, אם יקבלו אישור מהשלטונות. הרור"ס ישתתפו בין היתר באתלטיקה, טניס-שולחן והיאבקות.

אתמול נפתחה בכפר-המכביה ועידה של מכבי העולמי. משיתתפים בה ראשי משלחות מהקהילות היהודיות בעולם, ביניהם גם עו"ד יאנוש גונדה, העומד בראש הסניף הראשון של מכבי בבודפשט. גונדה, מעשירי בודפשט, משמש גם כסגן יו"ר ועד הקהילה היהודית בהונגריה. בארץ הוא כבר ביקר מספר פעמים.

"במועדון שהוקם לפני ארבעה חודשים יש היום 100 ספורטאים", הוא אומר בעברית טובה, "ובקרוב אנחנו מקווים להגיע ל-600. הפעילות מתמקדת בסיוף, טניס-שולחן, קליעה, קראטה וג'ודו. למכביה נגיע עם 20 ספורטאים. אין לנו תקציב ליותר".

APOLOGIES: Jose Furmanski, Alan Sherman, Robert Spivak

Marcos Arbaitman, President of the IMC welcomed the participants to the meetings.

It is the aim of the Maccabiah to bring thousands of Jewish athletes and spectators to Israel to participate and compete in events all over Israel. In these difficult times when Israel is facing a period of political and economic crisis, an event such as the Maccabiah is even more significant. The Maccabiah expresses the solidarity of Diaspora Jewry with the State of Israel. This Maccabiah will be a symbol of hope and unity.

Yiskor was read.

Michael Kevehazi, Chairman of the IMC - Hopes that the 13th Maccabiah will be the best organized and most successful ever held. Noted that unnecessary risks would not be taken and that every step will be taken to ensure security. The parade through the streets of Jerusalem will take place.

There has been a 12% cut in the budget allocated by the Jewish Agency to the Maccabiah and, therefore, we are facing a severe economic crisis. Called on the World Zionist Organization and the Jewish Agency to help in more ways than just financially.

Stressed the Jewish character of the Maccabiah, therefore, strict Kashrut and observance of the Sabbath will be kept.

The Organizing Committee will not respect any outside pressures but will take whatever important decisions deemed necessary to ensure participation of all Jewish athletes in the games. Proud of the cadre of young people trained as the new generation of leaders.

Yariv Oren - Welcomed all the participants to the meetings. The Maccabiah continues to develop despite difficulties. Fully supports this important international event.

Arie Rosenzweig - At this time, there are 4,579 participants registered for the 13th Maccabiah which will make it one of the largest sporting events in the world. A successful Maccabiah requires cooperation and coordination. Many countries did not submit Entry Form B on time and this caused many problems. Countries that do not submit Entry Form C on time will not be guaranteed space in Accommodation Centers.

Mentioned the Gala Evening/Yakir Maccabi Evening which will be emotional and enjoyable; "Salute to our Guests" which will be an exciting evening for VIPs and tourists; the Agam lithograph which will be sold for \$450.

Suggested that the team managers arrive in Israel a week before the Maccabiah to set things up for their respective countries.

Uzi Netanel - The Organizing Committee is at present fighting to obtain its rightful financial allocation from the government and a delegation will meet with the new Finance Minister. Hopes the budget will be the same as for the 12th Maccabiah although in realistic terms, it will be substantially less. Is not optimistic about receiving an increase.

Plans to commercialize the Maccabiah without affecting its character have not materialized.

The Patron of the Maccabiah, Leon Tamman, is arranging fundraising campaigns in various countries that will be coordinated with the local fundraising campaigns.

The Movement cannot afford any deficit at all as it cannot be covered. We must work only on a balanced budget and yet still make this the greatest Maccabiah ever.

Decisions:

1. It was decided that the Junior athletes will be housed as one body and in one facility.
2. Juniors will be housed at Shefayim. In an emergency, the Organizing Committee has the freedom to choose the Ramat Aviv Hotel, but cannot make the change without contacting the Chairman of the IMC and the T.O.'s.
3. No more than three athletes will be housed in one room at any facility unless there are extra large rooms which have been approved by the Accommodation Committee for four beds.
4. The Eshel Hotel is now excluded as an Accommodation Center.
5. The Ambassador Hotel will not be considered as an Accommodation Center.

OPENING CEREMONY -- Working Paper No. 5

Committee: Yaacov Gitlin, Sam Shadmi, Gavri Levi, Mario Margulis, Olesh Sofer, Ronnie Begun, Avihai Elbaz, Shlomo Sofer, Niv Gil, Zvika Abramovitz, Moses Yeyni, Shlomo Rosmarin, Michal Gershnowitz

Arie Rosenzweig - If the march of Delegations is too lengthy, it will become boring. Wants parade to go smoothly and quickly as possible and therefore no presentations to be made to the President during the parade. Only official members of the delegation can march in the Opening Ceremony.

Decisions:

1. According to requests by several countries, certain personalities (e.g. large contributors, dance groups from individual countries) will be allowed to march in the Opening Ceremony, only if the dancers keep moving and at no time stop or hold up the parade.

It was decided to allow one person per 50 participants and no more than a total of three persons per each country. Entrance to the stadium will be allowed only with a special permit.

2. The 13th Maccabiah theme song "If I Was A Rich Man" is not meant to be offensive to people living outside Israel but is intended to be humorous.

3. Transportation to and from the Ramat Gan Stadium for the VIP's and athletes will be provided. Masters must make their own arrangements. Golfers will be provided with transportation.
4. Arrangements have already been made regarding traffic on the narrow bridge used for exiting the stadium.

Michael Kevehazi - Supports Arie Rosenzweig's remarks regarding discipline. Everyone must follow the instructions before and during the ceremony. Those not obeying these instructions will be brought before the Disciplinary Committee and charged.

Proper discipline will ensure an open route for the torch bearer. Asks for everyone's help and cooperation during parade because of large participation.

CLOSING CEREMONY - Working Paper No. 6

Committee: Rina Carmeli

Married women will need head coverings and men will need to wear a kippa at the Wall. There will be a special entrance for athletes with ID cards and another entrance for the public.

1. There was concern about a realistic timetable, e.g. travel from Tel Aviv to Jerusalem. Details have been very carefully checked but the timetable is not final at present.
2. The question of security was raised while marching through streets of Jerusalem. Parents need more specific information regarding security. The police force will take all necessary measures to protect and give maximum security for all of the Maccabiah and especially in Jerusalem.
3. If information is received in advance regarding Bar-Mitzvah children who are not participating in sports competitions, plans to integrate them into this ceremony can be made.
4. The entire ceremony will be in the upper area. There will be segregation of men and women at the Wall only.

WELCOME EVENING, 2 JULY 1989 -- KFAR HAMACCABIAH - Working Paper No. 7

Alex Dalen - This event will take place at Kfar Maccabiah. The evening will be opened officially at 8:00 p.m. by the Master of Ceremonies. Events will take place in three languages (Hebrew, Spanish and English). The grounds will be divided into four

sections to enable easy access by athletes. The Master of Ceremonies and speakers will be located on the central stage with the band.

All guests will be able to move from one area to the other as shows will be held simultaneously on three separate stages in different sections of the Kfar. There will be Hasidic, Oriental, South American shows, etc. The same principle used in the last Games will be repeated.

SALUTE TO OUR GUESTS -- Working Paper No. 8

Arie Rosenzweig - This event will take place on Sunday, July 2, 1989, in the ancient amphitheatre at Caesarea. Offering 90 minutes of the best Israeli entertainment (Israeli folklore, dance, etc.). This event is for older athletes, Masters, VIPs and Seniors.

GALA EVENING - YAKIR MACCABI - July 1, 1989 - Working Paper No. 12

Michael Kevehazi - This is a combined function. Pre-opening concert and award ceremony will take place in the Concert Hall at the Tel Aviv Museum which is the home of the world renowned Israel Chamber Orchestra, conducted by Shlomo Mintz. The Mayor of Tel Aviv will be the Guest of Honor and the concert will be followed by the Yakir Maccabi Award Ceremony.

VIP PACKAGES

Zvi Raviv - VIP's will be welcomed in great style at the airport. Three tours will be included in the program that will not interfere with participation in the Maccabiah. On the day of the Closing Ceremony there will be a tour of Jerusalem in the morning, lunch, and a walking tour followed by Closing Ceremony.

There will be a special bus tour on July 10th from Tel Aviv to a major military base in the south. If an air force base is visited, there will possibly be an exhibition. This will be followed by a visit to the Dead Sea. VIP's will travel by special train from the Dead Sea to Tel Aviv with singers, actors, etc. on board.

The VIP Center will be located in the Bank Hapoalim, across from Dan Hotel in Tel Aviv.

Only two delegations have registered for the VIP program (Colombia and U.S.A.).

Decisions:

1. Charging less for a second and third VIP package purchased by one family would cause tremendous bookkeeping problems. Children under 16 will not receive the cassette.
2. Transportation for Masters and their spouses is included to Opening and Closing Ceremonies and to Caesarea.

-8-

The VIP ID entitles entrance to every sporting event.

VIP Questionnaires regarding the receptions for the delegations at the individual Embassies were circulated. These must be returned to the VIP Department by March 1, 1989.

TOURIST PROGRAMS

Flight Arrangements - Ruven Barash (Representative of El Al)

There are many problems with coordinating and planning information to accommodate the people who are coming to the Maccabiah. Special flights and arrangements have been made. Long term planning is recommended. Must know as far in advance as possible the dates, number of athletes, escorts, etc. Those who can provide the information first will be served first. People who come at a later stage will have to take what is available. This also includes freight, equipment, etc.

Arie Rosenzweig - Must know in advance, specifications of ammunition and guns for competitions and specifications and notification of extraordinary freight. Will only be able to help the delegations who give us this information in advance.

TOURS AND TRAVEL - Egal Yarden (Representative of all Travel Agents)

Will handle accommodations for guests who will not be staying in the Accommodation Centers. Most of the travel agents/hotels are demanding that we give them as much information as possible regarding final details as the Maccabiah is only four months away.

Many hotels have graded the Maccabiah as a high season. Better rates are available in lower priced hotels. This does not apply to Herzlia (normally peak season), Netanya or Jerusalem.

Arie Rosenzweig - In the future, it may be possible to negotiate rates with hotels serving Maccabiah guests as well.

CAR RENTALS - Ivor Altsholer (Representative of Hertz)

A 50% discount is available if payment is submitted by March 2, 1989. Payment should be made through Hertz in Israel.

BAR-MITZVAH PACKAGE

Amir Peled - The packages are very attractive. There are four different Bar-Mitzvah events during the Maccabiah. We cannot control marketing from Israel and are not getting enough response from abroad. In order to finalize arrangements with hotels, bus companies, tour guides, etc., must receive detailed information by March 31, 1989.

Decisions:

1. A more detailed program will be completed before the end of these meetings.
2. Since two or three Bar-Mitzvah ceremonies will take place during the Maccabiah, it is possible for Junior athletes to participate in this event.
3. A detailed program for non-athletes is required.

CULTURAL EVENTS

Rivka Rabinowitz - The best way to attract young people is through the schools and the educational system. The childrens painting contest and exhibition will be held at Dizengoff Center. Panel of judges will include some of Israel's famous artists.

The theme of all our activities of this year is Sport in the Jewish World. This is in collaboration with Wingate College. Although it has not been finalized at this time, we have been negotiating with the Israel Museum regarding special collection of coins from the time of the Maccabees.

PRESS, RADIO AND TELEVISION - Working Paper No. 10

Tzvi Eval - If we receive good information we can sell it to the Israeli media. Story regarding the delegation from Cuba has received good coverage. USSR and Hungary were also well covered in the media. Media loves the Maccabiah.

Reporters must register with the Government News Agency. In early May, will begin to accept forms with photos. No applications will be processed without photos.

A description of the press room was given; location and hours. Fax and telex lines will be available. Special requests must be made in advance. A proper translation of names is needed and requested by the Israeli media. Important to appoint press officer from each delegation.

Opening Ceremony has exclusive video and film rights. Stills and film will be made available.

JTV in Canada will transmit three hours per day from Israel during the Maccabiah to millions of viewers all over Canada.

Arie Rosenzweig - Results will be printed at the end of each day; 13th Maccabiah results will be available on the last day of the games. Results for each day will be ready approximately around midnight and will be delivered under the doors each morning or be picked up from the press center in the evening.

Regarding specific events and passes for reporters, will probably have special working card for certain competitions.

13th Maccabiah video film will be sold to the public.

TICKETS - Shlomo Cohen

Shlomo Cohen - Requests that orders be sent in by May. Tickets are allocated in a first come first serve basis.

Arie Rosenzweig - It is advisable that delegations collect tickets at least one week prior to the games.

FLAGS

Arie Rosenzweig - Each country must supply eight national flags plus one for each sport event entered.

TRANSPORTATION - Arie Levenson -- Working Paper No. 3

Arrangements have been finalized regarding buses, mini-buses, etc. Intends to improve services to include vans depending on number of people in Accommodation Centers and distance. Will try to use more mini-buses. Transportation to and from the airport will be improved. There will be organized parking for Opening and Closing Ceremonies. Shuttles will run controlled and supervised. Any athlete with ID card will be able to travel on Egged from Hadera to Gedera free of charge in addition to shuttle service.

MEDICAL SERVICES - Working Paper No. 4

Committee: M. Resh, M. Kedar, Dr. G. Tenenbaum

Strict regulations on stimulant drugs based on Olympic rules will be put into effect.

There will be medical stations at all Accommodation Centers with a nurse on duty 24 hours. A doctor will visit twice daily. There will be a full-time doctor and ambulance during competitions.

SCIENTIFIC CONGRESS

Dr. G. Tenenbaum - Supplied additional information about preparations for this congress.

FINAL SESSION

Mr. Tamman, International Patron of Maccabiah - Aims for complete unity of the Jewish people; religious, non-religious, Ashkenazi, Sephardi, etc. Praised everyone for doing an excellent job and wished success.

Michael Kevehazi, Chairman of the I.M.C., in his opening remarks discussed some of the difficulties that may arise in the organization of the Bar Mitzvah Maccabiah. Stressed that it is our responsibility to make sure that every Jew wherever he may live can take part in the Maccabiah. Mentioned the financial problems which may cause certain decisions to be re-examined. Also stressed the need for Jewish content in the program of the Bar-Mitzvah Maccabiah. Explained the uniqueness of the Maccabiah games as a "major manifestation of the strength of Jewish youth".

The Organizing Committee in Israel has already started negotiations with corporations (transportation) and accommodation centers. We have already met with Mr. Zvulun Hammer, Minister of Religious Affairs, to discuss the Jewish content of the Bar Mitzvah Maccabiah. Foundations have been determined regarding the organization of the games and the various departments have started to work

Uzi Netanel - we have learned from past experience and have now selected only three or four persons to serve as the Honorary Committee. Hopefully there will be a commercial T.V. station in Israel by the time of the Maccabiah, which will improve our chances of raising money.

13th MACCABIAH

IMC MEETINGS, MARCH 1987

WORKING PAPER NO. 11

GALA CONCERT - ISRAELI PHILHARMONIC ORCHESTRA
SATURDAY, JULY 1, 1989

The Organizing Committee is currently negotiating with the management of the Israeli Philharmonic Orchestra regarding a special gala concert during the 13th Maccabiah.

The concert is planned for Saturday evening, July 1, 1989 at 21:00hrs., and will take place at the Mann Auditorium, Tel Aviv. The concert will be conducted by Zubin Metah, the Israeli Philharmonic Orchestra conductor. The soloist will be one of the following:

Yitzchak Perlman, Yitzchak Stern, Pinchas Zuckerman, Shlomo Mintz, Daniel Barenboim.

The final decision has not been made. The cost of one evening such as this, is extremely expensive and the Organizing Committee must receive the commitment from the participating countries to purchase 1500 tickets at U.S.\$50 each.

In preparation for the meetings in March, we request that you consider the idea of the concert. During the meetings, you will be requested to make a pledge re the number of tickets to be purchased.

A decision will be taken as to whether a contract for this event will be drawn up with the IPO, based on the number of tickets pledged.

WORKING PAPER NO. 10

MACCABIAH FREE FALL PARACHUTING COMPETITION

GOAL: To hold an open competition during the Maccabiah for Jewish parachutists from all over the world.

The competition will be sponsored by the Maccabiah but will not be included in the official sports program.

ORGANIZATION: The Israel Free Fall Parachuting Club in cooperation with the I.D.F.

The event could be included in the framework of the football finals or another Maccabiah event.

A previous effort was made to organize this event at a Maccabiah but there were not enough participants from abroad. One of the reasons might have been that preparations did not start on time.

It is recommended to attempt this competition again however preparations will be made earlier and hopefully the response will be greater.

WORKING PAPER NO. 4

PROPOSAL - BLOOD DONORS PROGRAM

Following the discussion regarding this proposal at the last IMC Meeting and after further consideration and investigation, the Organizing Committee recommends that the Maccabiah athletes take part in a blood donor program.

At the last two Maccabiah Games, the athletes displayed little enthusiasm partly because of organizational and other difficulties. In light of organizational changes including extended medical services, it is proposed to attempt this project an additional time.

In addition to organizational efforts in Israel, the Heads of Delegation must co-operate so that coaches and athletes may take part in the program.

The idea of a blood donor program expresses Jewish solidarity and brotherhood. Every effort should be made to ensure the success of the program.

WORKING PAPER NO. 3

WORKING PAPER NO. 1

DEFINITION OF DELEGATION POSITIONS

Further to the decisions of the IMC meetings in May, 1986, the following is a proposal for uniformly defining the various positions and responsibilities. Hopefully all the delegations will adopt this proposal and function accordingly. This should improve the system's functioning during the Maccabiah and ensure more effective communications between the Organizing Committee and various delegations.

1. Head of Delegation
2. Team Manager
3. Treasurer
4. Accommodation Director
5. Sports Manager
6. Press Officer
7. Medical Officer
8. Team Official

1) Head of Delegation - will represent the delegation in terms of the Organizing Committee. All official correspondence will be handled through the Head of Delegation. This person will be the delegation's most superior official and will have full authority in approving athletes and financial matters. Will be entitled to stay in one of the official Maccabiah accommodation centers, and will pay registration fees.

2) Team Manager - will be responsible for all technical, organizational and sports matters between the delegation and Maccabiah headquarters. Must stay in the official accommodation center for Team Managers, must participate in all manager meetings and briefings as determined.

3) Treasurer - will deal with financial matters between the delegation and Maccabiah headquarters. - Financial Department, Tickets Department, etc..

4) Accommodation Director - will co-ordinate delegation accommodations with 13th Maccabiah Accommodations Department, and will follow up.

For large delegations, it is recommended that a representative be available at all centers where that delegation's athletes are housed.

5) Sports Manager - will co-ordinate relevant matters between the delegation and 13th Maccabiah Sports Department. Will co-ordinate the training and tournament time tables.

6) Press Officer - will be responsible for constant communication between the delegation and 13th Maccabiah Press Department during the months prior to the Maccabiah. The Press Officer will supply relevant materials on the preparation of the delegation, and will be responsible for obtaining the necessary work permits for additional journalists and photographers from his country.

7) Medical Co-ordinator - Should be a physician or physiotherapist. Will organize a Medical Services System for the delegation and will co-ordinate all instances of medical treatment with the 13th Maccabiah Medical Services. Will co-ordinate arrangements for bringing medical equipment to Israel. The medical co-ordinator is responsible for organizing the necessary medical and hospitalization insurance, as well as necessary immunizations, and will supervise athletes in relation to Israel's climate.

*Note: Management Composition of small delegations

The above proposal relates to delegations of 50 persons or more. In terms of smaller delegations, one person might be capable of fulfilling the above-mentioned functions. In such cases, a differentiation should be made between the Head of Delegation and Team Manager, so that the delegation will be represented in all official events.

TRANSPORT DEPARTMENT

The Transport Department for the 13th Maccabiah will follow the general structure of the Transport Department of the last Maccabiah. The operative system proved itself both in practice and from the budgetary aspect.

The Transport Department will consist of a small leading group made up primarily of transport co-ordinators deployed in the accommodation centres.

The task of the coordinator will be to control the smooth operation of all vehicles, minibuses or buses in the accommodation centre he is assigned to according to a daily schedule. The transport coordinator will provide transportation to the competitions, training, etc. and will work in close coordination and cooperation with the Accommodation Centre Director. The transport coordinator will follow the instructions of the Transport Department Headquarters and will be in close contact several times a day.

Transportation during the Maccabiah can be considered according to the following main subjects:

ARRIVALS AND DEPARTURES - BEN GURION AIRPORT

Arrivals at Ben Gurion Airport should be coordinated in advance with the various departments at the airport like Security, Police, Egged, etc. in order to arrange the smooth and speedy transfer of the participants to the accommodation centres.

The activity in the fields will demand full coordination between the transport and accommodation departments. Due consideration will be given to the ordering of vehicles for the transfer of the arriving athletes taking into account any changes in the time of arrival and the number of people and their destination. Minibuses will be used for the transfer of small groups or individuals.

A permanent representative of the Transport Department will be in attendance at Ben Gurion Airport, whose task will be the general supervision and transfer of the arriving participants, making the best possible use of vehicles, with attention to transportation costs.

When dealing with the transfer of participants to and from the Closing Ceremony of the Maccabiah, two situations must be considered: participants who will be taken directly from the Games to the Airport and participants who will return first to the accommodation centres and from there to Ben Gurion Airport.

OPENING CEREMONY

The rehearsals for the Opening Ceremony of the 13th Maccabiah will start months in advance. The Transport Department will participate in the rehearsals in the early stages, and later at the Stadium where the Opening Ceremony will occur, with dancers, athletes, orchestras, etc. participating.

At the Opening Ceremony, consideration will be given to the great numbers of people to be transported - thousands of athletes, VIP's, etc.

This operation will require the fullest cooperation with the Police Department so as to ensure open routes and sufficient parking lots.

COMPETITIONS AND TRAINING

The Transport Department will prepare and publish a Log Book listing journeys to and from each accommodation centre and competition. The timetable will be published after working meetings with representatives of all the different sport branches taking part in the Maccabiah.

Intelligent planning of transportation will combine bus journeys and put the fleet of minibuses to the best possible use. Some of these will be used in organizing operations in the accommodation centres, in accordance with the sport branches and the needs of each centre.

EXCURSIONS AND OUTINGS

This is an important issue in the sense that it will impart Jewish and Zionist values to the Maccabiah participants from abroad. The subject requires a special approach from the budgetary aspect. Excessive spending should be avoided. The Transport Department will be planned accordingly and will provide appropriate guides for the excursions, when necessary.

SHUTTLE SERVICE

If it is decided to arrange a shuttle service between the accommodation centres, the Transport Department will coordinate its bus rides with the Bus Companies to create an adequate service at set times. Past experiences should be taken into consideration. Representatives of the Transport Department will check daily that the shuttle service suits the visitors' needs.

The above mentioned are some of the tasks pertaining to the Transport Department. Some of the special assignments will be: a special journey to the Salute to our Guests ; excursions for V.I.P.'s through Israel; transportation to the Bar Mitzvah ceremonies; transport service for the referees; transport to the Masters games; to concerts, meetings, cultural events, social events hosted by the Diplomatic Corps, etc. and, naturally, transport to the Closing Ceremonies.

The experience gained during the last Maccabiah will serve to good purpose in reducing costs and reaching superior performances.

13TH MACCABIAH ACCOMMODATION CENTRES

The map of the Accommodation Centres for the 13th Maccabiah is based on the premise that the number of expected participants will fluctuate between 3,000 - 4,000.

Since, according to the existing data from the registration form no. 1, it is not possible to pinpoint the number of participants, the Accommodation Map took into consideration two different situations, according to the number of participants.

The Accommodation Centres were chosen generally taking into account their distance from the sports sites and competition grounds, with a view to reaching the standard and atmosphere of an "Olympic Village."

The list of hotels is tentative and not binding and it will be possible to change or move an Accommodation Centre appearing on the map, according to the decision of the Organizing Committee.

In all events, a hotel or other installation which has not been checked and approved by the I.M.C. Sub-Committee, will not be included in the Accommodation Map.

OBSERVATIONS

- *1. The Marina Hotel in Bat-Yam, owned by Schiff Hotels was an Accommodation Centre which satisfied our requirements during the 12th Maccabiah. Since then, and in the light of growing economic difficulties, the inclusion of the Marina Hotel in the Accommodation Map will be considered according to developments and circumstances.
- *2. Beit Berl, which was an Accommodation Centre for the 12th Maccabiah, and received a barrage of criticism, will be included in the Accommodation Map only under the following specifications;
 - a. Air conditioned rooms (220 beds)
 - b. Inclusion of sport branches of both sexes
 - c. Better transportation to Tel Aviv and Netanya
3. Missing from our list are two hotels which operated successfully in the 12th Maccabiah:

The Mandarin Hotel - to be sold

The Tal Hotel - to be sold

If the situation with these two hotels clarifies, we will reopen negotiations.

4. At this stage we are conducting negotiations with other hotels. Their inclusion depends on the cost price and the vicinity to sports installations.

Netanya - Blue Bay Hotel
Orly Hotel
Green Beach Hotel

Jerusalem - Holyland Hotel
Ramat Rachel Guest House

Herzilya - Hasharon Hotel

5. In the case of the hotel prices rising drastically, as happened in the months of October-November, 1987, we shall weigh the possibility of accommodation in more popular places, e.g.:
 - a. Students dormitories at Tel Aviv and Jerusalem Universities
 - b. Dormitories in Boarding Schools

The changes will have a direct repercussion on the services and accommodation standards.

6. The I.M.C. Sub-Committee will deal in April, 1988 with the Accommodation subject, after visiting and examining the proposed Accommodation Centres.

PRESS, RADIO AND T.V.

The 13th Maccabiah Press Department will be set up at Kfar Maccabiah, this location having proved successful in the past. The department aims to prepare public opinion in Israel and abroad for the Maccabiah. This will be accomplished through press releases, articles, etc. to create enthusiasm.

TIMETABLE

1. BULLETINS: Immediately following the IMC meetings in May, 1988, the department will start publishing a bimonthly newsletter about preparations for the Maccabiah. Delegations from participating countries are requested to submit information about preparations in their countries which will be included in the newsletter and distributed abroad. The purpose of the newsletter is to cause interest and curiosity.
2. PERSONNEL: The department staff, including a secretary and an English-speaking journalist, will begin work at Kfar Maccabiah in April, 1989 and will start sending regular information to participating countries. However, it will only be through the cooperation of the delegations that the department will be able to supply up-to-date information on a regular basis.
3. PRESS CONFERENCES: A press conference will take place following the IMC meetings, the next one taking place after the 1989 meetings. A third press conference will take place before the Maccabiah. The coordination of journalists will be in cooperation with the sportswriters section of the Journalists' Association.
4. PRESS FILES: During the Maccabiah, journalists will receive a special file with background material, reports and information. Delegations interested in including information in these files should contact the Press Department.

13TH MACCABIAH ISRAELI DANCE FESTIVAL

An effort will be made to increase cultural activities within the framework of the 13th Maccabiah, in addition to increasing the sports framework. A new event to be included in the timetable is an Israeli Dance Festival, to be held in conjunction with the City of Netanya.

Many T.O.'s are very active on this level and hundreds of dancers from a large number of Maccabi clubs take part in annual local dance festivals. The Maccabiah is a wonderful opportunity to expand this type of activity.

The festival, with 300 participating dancers, will take place during the two weeks of the Maccabiah. The groups will perform Israeli dances and folkdances from their countries in Netanya and other cities in Israel.

The festival will be hosted by the city of Netanya and the dancers will be accommodated in local two and three star hotels.

The dancers will also take part in the Opening and Closing ceremonies and in folklore evenings within the framework of the 13th Maccabiah.

Touring will be incorporated into the program, as well as meetings with Israeli dancers, receptions and participation in Maccabiah sport events, etc.

The cost per participant (land cost only), is \$400. This includes all expenses for accommodations, food, touring, etc. Every country is entitled to enter one dance group. Registration is open until April 21, 1989.

If there is a lack of registration, countries will be allowed to enter more than one group on a first come first serve basis until the required number of participants is reached.

Since this project doesn't entail great expense, no registration will be accepted without a registration fee of \$100 per person which is forfeited in the case of cancellation. The possibility of running a one-week course for dance instructors is being examined. Further details and information about costs will be sent to the T.O.'s in due course.

הצעת החלטה - תרומת דם של ספורטאי המכביה

לאחר הדיון בהצעה בישיבות ה - I.M.C האחרונה ולאחר שיקול וביקור נוספים ממליץ הוועד המארגן לקיים מבצע של תרומת דם מספורטאי המכביה לבנק הדם בישראל.

בשתי המכביות האחרונות היתה ההענות מצד הספורטאים לרעיון דלה ביותר, ובחלקה נבעה כנראה מקשיים ארגוניים ואחרים. לאור השינויים הארגוניים בנושא השרות הרפואי והגדלת היקף השרותים, מומלץ לבצע נסיון נוסף בנידון. במקביל למאמצים הארגוניים בישראל מתחייבת במקביל הרתמות ושיתוף פעולה מצד ראשי המשלחות ודרכם לספורטאים, ובעיקר למאמנים לביצוע נאות של הרעיון. הרעיון להביא לידי ביטוי הסולידריות היהודית והרגשה של אחוות העם - יש לעשות כל מאמץ כי בפעם הבאה נצליח לממשו.
