WORKING PAPER NO.2

DEPARTMENT OF ACCOMMODATIONS AND CULTURE

GENERAL INFORMATION

The Accommodations Department is finishing the organization and preparation stages for the 13th Maccabiah Games. The program of preparation is based on what we have learned from the Maccabiah Games in previous years.

The Accommodations Department is organizing the housing of the athletes in the Accommodation centers according to their respective sporting events. This method proved to be effective in the 12th Maccabiah, and therefore will be continued in the 13th Maccabiah Games. Unfortunately, we will not have at our disposal the facilities of three major hotels which served us successfully in the 12th Maccabiah: Tel Aviv Country Club - Tel Aviv, Marina Hotel - Bat Yam, and the Mandarin Hotel - Tel Aviv. In the event that these hotels return to their regular activities, negotiations with them will begin again. Consequently, there will be a greater number of accommodation centers and they will be concentrated in Tel Aviv, Herzlia and Netanya.

The Accommodations Department will additionally be in charge of providing cultural activities, local tours, and day trips. The goal of these being to enhance the athletes' stay with Jewish and Israeli culture and general knowledge of Israel.

THE ACCOMMODATION CENTERS

1. The accommodation centers will provide special services for the Maccabiah participants. A fully trained and experienced staff will help the athletes in all organizational and administrative issues. The staff will be on duty throughout the Maccabiah period, including the welcoming of the athletes, providing a variety of cultural events, package tours, and general services. Their duties will continue until the athletes' departure at the end of the Maccabiah. The staff's office will be open daily from 7:00 AM - 12:00 AM.
2. An Information Center will be established in every accommodation center to provide information on Maccabiah events and on various other activities available to the athletes.

3. The timetable of the meals will be flexible, and given appropriate notification, may be changed. Every athlete will receive a Coupon Booklet which will include tickets for various visits and events, primarily in the Tel Aviv area. The coupons will provide the athletes with substantial discounts, or services and items free of charge.
4. Medical services - a doctor/medic stationed in every accommodation center, will attend to the athletes if the need arises.
5. Security - in coordination and conjunction with the Israeli Police and their regulations.
6. Junior Maccabiah - there are two options for accommodating the athletes of the Junior Maccabiah. The final accommodation plan will be decided at the IMC meeting in February.
 - A. The "Junior" athletes will be accommodated in five accommodation centers according to their sport, together with the "Adult" athletes, so that they will be in an appropriate training framework.
 - B. The "Junior" athletes will stay in one accommodation center - in Wingate - because of the suitable facilities.
7. "Masters" - the "Masters" athletes who are interested in obtaining accommodations through our department will stay at the Basel or Sinai Hotels in Tel Aviv. Such accommodations will be made available only upon request.
8. Cultural events will be held in the accommodation centers, primarily in the evenings, so as to present Folklore and Israeli culture in addition to relevant social issues.
9. Athletes who will be accommodated in Nahariya (sailing) and Tiberias (rowing) will be transferred to Tel Aviv for the duration of the Maccabiah, at the completion of their own competition.
10. The accommodation centers will be opened on Thursday, June 29, 1989, until Friday, July 14, 1989. Those athletes interested in extending their stay will require additional reservations and will be required to handle additional expenses on their own.

- 2
11. The distribution of the athletes in the accommodation centers is not final, as this is dependant on the final registration of the athletes, and their respective sporting events.

9. Due to budgetary considerations, the Heads of Delegations are asked to encourage as many athletes as possible to join the tours so that the buses will be full.

TRANSPORT DEPARTMENT

ORGANIZATION AND OPERATION OF TRANSPORT

GENERAL

Transportation for the 13th Maccabiah will be organized and operated by the Transport Department on the basis of reservations by the various departments. Management and organization of the transportation will be handled on two levels:

- a. Transportation to Sport events and Training
- b. Transportation for special events

Transportation for Sport Events and Training

Minibuses, with drivers who are qualified for this task, will be located in each village where the athletes are accommodated. The number of minibuses will be allocated according to the number of athletes in each village, their sports' branches and the distance of the various competitions from each other. Minibuses will be under the supervision of the Transport Coordinator in each village who will represent the Department. The Department's administration will be in close contact with the Coordinators so as to receive current reports on the organized transport and to solve problems. A Transportation Brochure will be distributed among the villages which will give information on transportation to the competitions and the training sessions. There will also be a permanent place in the village where a timetable about the daily transport will be published.

Transportation for Special Events

Transportation for special events will begin with the first rehearsals of the Opening Ceremony. It will continue with the transportation of the V.I.P.'s to Caesarea, to the Welcome Evening, to the Concert in Tel-Aviv, for tours and trips in Israel, to gatherings, cultural events, hosting by the Embassy, the Bar Mitzvah and Closing Ceremonies in Jerusalem, etc., until the departure of the athletes to the airport at the end of the 13th Maccabiah Games. Reservations for transport to these events will be arranged through the Transport Coordinators in the Villages or by the Reservations Department. Buses will be labelled with the name of their

Accommodation Villages in English and will have the colour of their Villages. The Transportation Department will arrange special parking places in cooperation with the municipalities, police and security and it will also arrange for special directions to the various competition venues. All the V.I.P. Transportation will be organized by a special liaison, under the auspices of the Transportation Department, who will coordinate transport issues on a regular basis between the V.I.P. Department and the Transport Department.

Shuttle

To allow the athletes to visit their friends in the other villages another transportation shedule will be established that will run between the various Villages. Planning of this shedule will be done after we receive the final information on the location of the various Villages. We will also take into account the fact that the Athletes will be able to travel freely on the Egged buses during the period of the Maccabiah. The idea is to make maximum use of the minibuses which will be an integral unit of the Villages and, after we receive the exact number of athletes in each Village, we will plan the shuttle shedules accordingly.

LIST OF FORBIDDEN DRUGS

This list is divided as follows:

- A. STIMULANTS
- B. NARCOTICS
- C. ANABOLIC STEROIDS
- D. DIURETICS

A. STIMULANTS

This category includes different types of medicine that increase fitness and decrease tiredness. Their side effects are the increase of nervousness and carelessness and a decrease in judging ability which, in some cases, may cause accidents. Amphetamine drugs and their generic family are a good example of causing complications as a result of their use in sports. There is no medical reason for the use of amphetamines in sports. Another group which is included in this definition is the group of Sympathomymetic of which Ephedrine is the best known. In vast amounts, this medicine causes increased blood flow and increases the mental faculties.

Side effects: Increase in blood pressure, headaches, increased heart rate, sometimes an irregular pulse, worry and sometimes tremors.

B. NARCOTICS & ANALGESICS

The medicines from this group are mainly taken from Morphine and are used for easing pain. However, there are some serious side effects to these medicines: breathing difficulties and mental and physical addiction. There is evidence that the use of narcotic medicine as a pain killer has been used in sports on a vast scale with the above-mentioned complications. The use of these drugs has been totally forbidden by the Olympic Committee, according to the International Health Organisation decision. Strong or medium pain can be effectively controlled with the help of such non-narcotic drugs as anti-inflammatory medicine.

C. ANABOLIC STEROIDS

This group of medicines includes medicines from the male hormone, Testosterone. In the past these have been used in sports to develop and strengthen the muscles and to give them more power; also in small amounts to increase competitive ability. The side effects of this hormone in men are:

psychological disturbances. disturbances in liver activity and the cardiovascular system. It can lead to a decrease in the size of the testicles and production of a limited amount of sperm. Women will start showing masculine characteristics. such as acne. male pattern hair growth in the genitalia. depressed ovarian activity and irregular menstruation. In adolescence it might interfere with growth as a result of early closing of the Epiphyphysis

As for Testosterone specifically: The definition of a positive examination is the increase in the relation of Testosterone/Dihydroaphitestosterone to over 6 in the urine sample. It is known that the use of human Chorionic Gonadotropin by men and similar medicine, causes an increase in the production of androgenic steroids. The use of this medicine is forbidden.

Diuretics

This group of medicine is medically important for eliminating the liquids in the body when necessary. The use of this drug in sports is two-fold: when there is an immediate need to shed a lot of weight in the competitions where the weight of the body is important; and after taking drugs, to increase urine production to disguise the evidence of drug use in the urine sample.

The use of these drugs for the purpose of losing weight is not healthy and involves side effects. In addition, the losing of weight in sports where weight is important is an unfair manipulation and is therefore forbidden.

CORTICOSTEROIDS

The use of steroids in the form of tablets, muscular injection, venous injection, intraarticular injection, is absolutely forbidden. The use of steroids in creams is allowed. If medical permission has been given to use steroid medicines in the forbidden form, the group doctor has to notify the Medical Committee in writing.

LIMITED MEDICINES

The use of alcohol is not forbidden. However an examination for the amount of alcohol in the blood or the breath may be required in some special cases by the Medical Committee.

The use of a local anaesthetic is allowed, except for Cocaine. The anaesthetic can be given locally or interarticularly. Any time a local anaesthetic is given by interarticular injection, the Medical Committee must be notified in writing by the physician.

BLOOD DONATION

As a humane gesture, the last IMC meeting it was decided to initiate and encourage blood donations through the Head of Delegations in the Maccabiah.

The donation will be organized in cooperation with, and under the management of the Red Cross, under the leadership of Shevach Meschulam - The national director for blood donations in the Red Cross.

We emphasise once again that the entire procedure will be carried out under the auspices of the Ministry of Health and according to their criteria, and therefore there is no danger of harming one's health.

The clinics will be held in the Accommodation Centers after the athletic programmes. (see: "times of blood donations in Appendix no.2)

The Red Cross is prepared to supply 8-10 teams to operate blood clinics, working simultaneously in the various Accommodation Centers.

The Accommodation Centers will provide an airy room for the clinics with beds and refreshments for the donors.

Every donor will receive a Certificate of Thanks for his donation.

A circular will be produced in cooperation with the Red Cross and will be distributed among the delegations on their arrival and in the Accommodation Centers during their stay. There are also plans to publish and publicize material on blood donations for the Heads of Delegations so as to encourage the athletes and the coaches, officials and delegation managers to participate in it.

We ask all the country representatives to encourage this humane enterprise so as to make it a great success.

THE 13TH MACCABIAH OPENING CEREMONY

INTRODUCTION

The Opening Ceremony of the Maccabiah, because it is the 13 Maccabiah, is naturally associated with a Bar Mitzvah - the traditional ceremony that transforms the Jewish youngster from a child into an adult, when he accepts the responsibility of adhering to the Commandments for the rest of his life.

As a result of this, we have planned a programme that demonstrates the historic evolution of the Jewish People on the basis of a tradition which united and maintained our identity during all the years in the Diaspora, through the years of immigration to Israel, the establishment of the State of Israel and the strengthening and maintenance of our roots here in Israel.

The artistic performance will begin with a grand Bar Mitzvah ceremony which will emphasise the uniqueness of the 13th Maccabiah. Through this ceremony we will depart on a journey which will begin in a Jewish shtetl in the Diaspora and is illustrated by a performance of "Fiddler on the Roof" which depicts the character of the village, its lifestyle and the tradition which maintained our unique Jewishness. After the Shtetl in the Diaspora, we will continue the journey to depict Immigration while highlighting the main streams of immigration from the east and the west. In this performance, we will depict these two streams of immigration by the two symbols of this period, "Tuvia, the Milkman" and "Salach Shabati" which will tell the story of the various communities that fulfil their dreams through their immigration to Israel.

The gathering and uniting of the various cultures have raised a new generation of "zabbarim" that make the State move forward.

This new generation will be represented by hundreds of youngsters in a giant gymnastics performance. And, of course, it is impossible to tell the story of the country without the Israeli Defense Force which enables us to exist as a nation and the "soldiers" portrayed in the performance depict the IDF in this programme.

A state which absorbs thousands of immigrants from all over the diaspora must possess a variety of cultures and so we will continue our journey through the different cultures that

have gathered in Israel and have created a unique Folklore. which is demonstrated by our Folkdancing.

At the end of the performance all the participants in the programme will gather together. symbolising the contact and the unity of the Jewish people. pride in belonging to this race in view of the future. the aim of increasing immigration. to strengthen and develop the state in its adulthood.

WORKING PAPER NO. 5

OPENING CEREMONY

DESCRIPTION OF THE CEREMONY

The symbol of the 13th Maccabiah, formed from thousands of balloons, will be spread out on the lawn of the national stadium in Ramat-Gan.

This is the picture that will be revealed to the public on entering the stadium for the Opening Ceremony of the 13th Maccabiah, the Bar Mitzvah Maccabiah.

A fanfare will announce the arrival of the President of Israel - Chaim Hertzog. The President and his escorts will enter the stadium in the official car, accompanied by a Guard of Honour on motorcycles.

When the President alights from the car, trumpets will sound and the President's flag will be raised.

The Leaders of the Maccabiah will be presented to the President. The President and the Leaders of the Maccabiah will take their special seats in the Presidential box, while three planes, trailing the National and Maccabiah flags fly quickly by.

About 650 Maccabi Tzair youngsters who are beneath the balloons will throw the balloons into the air and while the public raise their heads to watch the balloons, the youngsters will create a living sign on the stadium, "the Bar - Mitzvah Maccabiah". This exercise will finish with a bow to the public.

A signal will be given to begin the Parade of the Delegations. A mass of Israeli flags will be carried in front of the Parade followed immediately by the participants in the Junior Maccabiah and, thereafter, the delegations will appear in alphabetical order. Leading each delegation will be a flag and a sign of the representative country.

The delegations will pass in front of the Presidential box, where they will salute and then take their place on the lawn.

100 drummers will enter, followed by swordsmen who will be the Guard of Honour of the carriers of the Maccabiah Flag.

The Maccabiah flag will be carried by 13 veterans of Maccabi. The flag will be accompanied by the flags of the previous Maccabiot. The Maccabiah Flag will then be raised.

The Public will be asked to stand for the singing of "Hatikva".

The President of the Opening Ceremony will address the President, asking him for permission to open the 13th Maccabiah Games. The President will declare the Games open and, simultaneously, 13 firework rockets will be fired into the sky.

The light in the stadium will be lowered and "Yizcor" will be read. The national flag will be lowered to half mast. There will be a minute of silence in memory of the soldiers who fell in the wars of Israel and enemy actions. During "Yizcor" the public will stand at attention with their heads bowed.

Trumpets will announce the entry of 100 torch bearers into the stadium and will light the route of the torch runner.

The torch runner will enter the field, pass the President's box and run up the stairs leading to the Torch of the 13 Maccabiah Games. The runner will light the torch which will stay lit until the end of the Games.

The flag bearers of the different countries will be ordered to approach the Stage where they will take their vows. The flags will be arranged in a half circle around the stage while the judges and players take their vows.

At a signal, the delegates will clear the lawn through special bridges.

While the delegates are exiting, 600 Bar Mitzvah youngsters will approach the lawn carrying lit torches. Laiser beams will depict a Menorah with 7 branches on the lawns and the children will arrange themselves in this design.

Three children will sing a song composed for the event in English, Spanish and Hebrew. The song tells about the bond of union with the Jewish people. The public will sing along, while waving white and blue sticks light sticks.

Laiser beams will design a giant Magen David on the stadium field. In the middle of the lawn, a single musician will appear, playing a hassidic melody on a clarinet. While attention is focused on him, the Bar Mitzvah youngsters will clear the lawn and at the same time a gigantic scenario of a Jewish shtetl will be brought in. 200 violin players,

dressed in white, will step out of the houses into the middle of the square, accompanied by the melody, Fiddler on the Roof and lit by spotlights.. In all the houses of the shtetl lights will be gradually go on and hundreds of dancers will enter the field while the general stage light is gradually brightened.

A general dance will begin - Fiddler on the Roof- consisting of three parts which will include a prayer, a wedding and a toast, L' Haim.

A wagon pulled by horses will enter from the side of the stadium. An actor/singer will sit on the wagon, depicting Tuvia, the milkman. He will sing "If I were a rich man" and will walk to the center of the field accompanied by 800 young children.

From the other side of the stadium, a truck from the 1940's will enter. An actor/singer will sit in the truck depicting Salach Schabati. He will sing a song from the musical, "Salach Schabati" and will also make his way to the center of the field.

Tuvia the Milkman and Salach Schabati will meet in the center. This action will symbolise the integration of different cultures in Israel. They will exit together while the two tunes are played in combination.

The Youngsters who accompanied Tuvia the milkman and Salach Schabati will spread out on the lawn for a general gymnastic performance.

As soon as this is finished, the children will arrange themselves in frames all across the lawn and into these will erupt dancers, dressed in soldiers' uniforms for the performance of "Seu Tziona Nes Vadegel".

As soon as this performance is finished the soldiers will clear a space in the center of the square and wave to parachutists who can be seen in the sky. The parachutists will land in the center of the square and will salute to the audience.

The young gymnasts will return to the performance carrying hoops - a gymnastic performance called "the Chain" that will include figures with other props.

As soon as this is finished the children will create giant flowers on the lawn.

Into these flowers will run Folkdance groups who will perform Israeli folkdances while a mobile stage is being carried onto the lawn by all the participants of the performance - the Bar Mitzvah children, the soldiers, the

gymnastics, and the folkdancing groups.

A popular singer will stand on the stage and sing 'Am Israel Hai' and the public will accompany him in his song while waving flags.

A helicopter will hover over the stadium and will shower confetti on the audience.

The delegates will join the general folkdancing on the lawn. Everyone will hold hands and repeat the Maccabiah anthem "I belong" while in the background, colourful fireworks will be displayed.

4. Discussion between Israeli Youth and Overseas Youth on the Maccabiah.

Israeli Television has suggested holding a discussion on the Maccabiah between Israeli youth and youngsters abroad. This plan, however, cannot be realized if we do not receive funds to send two Israeli Television representatives abroad. I will be glad if a member of the coming IMC meeting would be able to help.

5. A Quiz on the History of the Body Culture of the Jewish People

This Quiz is being organized for the first time and will be of a high standard. Participants should be twelfth grade students who study in a sports class.

The first stage will be held in writing on January 17, 1989 and the second stage will be held in public at a later date.

Israeli Television has requested permission to broadcast the above.

PRESS, RADIO AND TELEVISION

For the period before and during the 13th Maccabiah, the Press, Radio and Television Department will be situated in Kfar Maccabiah. Previous experience demonstrated that the facilities at the Kfar were very adequate and therefore the reporters and staff decided that the office should be located there again.

The aim of the Department is to prepare the public in Israel and the world for the Maccabiah and to create favourable public opinion and interest through advertisements in the Press and articles.

TIME SCHEDULE

1. Bulletin

Starting from April, immediately after the Plenum, the Department will publish, once a month, a special Bulletin which will report on the preparations for the Maccabiah. The different countries are therefore invited to send us material about their preparations for the Maccabiah which will then be published in this bulletin. The purpose of this is to arouse interest and curiosity between the countries.

We would like to be informed if any well-known athletes will be participating in the Maccabiah Games. This information should include personal details like the height of a basketball player or his achievements in other sports areas. This information will help to make our publications more interesting to the public.

2. Department Staff

The Department will be staffed from April 1, 1989 with a secretary and a professional reporter who will write articles in English. At the same time, the Department will send updated material on the Maccabiah to all the participating countries.

The delegations must realize that it is only with their cooperation that the Department will be able to circulate current information.

3. Press Conference

As soon as the Plenary and IMC meetings are over, a press conference will be held which will summarize the results of the Plenary and the IMC meetings. Another press conference will be held near the time of the opening of the Maccabiah.

All the arrangements with reporters will be done in cooperation with the sport journalist section of the press association.

4. Press File

Reporters who attend the Maccabiah will be given a special "Press File" which will provide background information, reports and various details. Delegates who are interested in including their material in the file are asked to contact the Press Department.

5. Communication

The Press Department will have telephone lines for the use of the reporters. Overseas calls will be made collect.

The Department will provide updated information on the results of the competition which they will receive immediately after the conclusion of the competitions. With the help of a computer in the Department, one will be able to check previous records or other details about the participants.

Two telefax machines will be available to enable reporters to transfer material.

6. Press Officers

Up to this point, we have only received the names of press officers from three countries. We ask you again to send us the names of press officers as soon as possible so that we can contact them.

7. Local Press

The Heads of Delegations are requested to strengthen their ties with the Jewish Press representatives in their area. This should include transferring current information about preparations for the Maccabiah. They are asked to supply photos of the tryouts, colour articles and background information on the athletes and the delegation. They should also pass on to the local press any material they receive from Israel. The most important condition for preparing the ground for the Maccabiah is a favourable local press.

8. Press Accreditation

The Press Department will give official Press Cards only to those members of the press who fulfill the following criteria. Those members of the press who do not qualify, will not be issued these cards.

- a) Reporter's card: Formal card, given by the Governmental Press Office of Israel. Overseas reporters serving in Israel will have to present a letter from their newspaper, stating clearly that they represent that paper at the 13th Maccabiah Games.
- b) Photographers: Identity Cards for Photographers will be given with the same criteria as for reporters.
- c) Movie or Video Filming: The Movie or Video Filming Permit will be given only to the official Maccabiah Movie that will be produced by the Organizing Committee. No other film crews will be allowed into the area of the stadium and the sport locations.
- d) Television Filming: The Permit for the Television filming will be given by the Organizing Committee to one TV Channel. As usual, the chosen channel must agree to the transfer of filmed material to the other channels after negotiating with them.

We remind all the countries again that the Press Department is at their disposal for everything relating to media and communication. One can write, ask for and receive information from now till the beginning of the Maccabiah.

GREETINGS FROM THE MWU PRESIDENT

MARCOS ARBAITMAN

The presence of a record number of countries, especially the inclusion, for the first time, of countries from Eastern Europe, besides Singapore, Hong Kong, Portugal and South Korea, allied to the fact that we will be reaching our majority with the Barmitzvah Maccabiah, will transform the 13th Maccabiah into the biggest of all times.

Participation in the Maccabiah is an unequivocal demonstration of support to the People of Israel in a particularly difficult moment, where thousands of youngsters of the entire world express the vitality and importance of the Maccabi Movement.

Regional events in Europe, United States, Canada, Australia and the Americas, added to the growth of Maccabi, and, at many of these events, the presence of Arie Rosenzweig was fundamental in transmitting to the attending leaders, experiences of every competition, be it the European Maccabi Games, North American Maccabi Youth Games or Pan American Maccabi Games.

Our contribution must also be a positive one, so that we bring to Israel the largest number of athletes, leaders and attendants, on the highest level, to correspond with the great effort which is being made by the Organizing Committee.

Transportation, accommodation, nourishment and sport competitions must be complemented by cultural and educational events, so that it becomes a lifetime experience.

The support of the Government of the State of Israel will provide more amplitude and repercussion, with the firm backing of our promotional and public relations department.

To live a Maccabiah can mark an existence. To participate in a Maccabiah Barmitzvah is an opportunity of a lifetime.

Let us all be together in Ramat Gan on the next 3rd of July.

נוכחות השיא של ארצות. כתוצאה מהכללתם בפעם הראשונה בהיסטוריה של ארצות מזרח אירופה מלבד סינגפור, הונג-קונג, פורטוגל ודרום קוריאה גרמה לעובדה שהמכביה ה-13 - מכביית הבר-מצווה - תהיה הגדולה ביותר בכל הזמנים.

ההשתתפות במכביה הינה ביטוי חסר תקדים לתמיכה בעם ישראל בתקופה קשה במיוחד. בארוע זה מבטאים אלפי בני-נוער מכל העולם את חשיבותה וחיוניותה של תנועת מכבי.

הארועים האזוריים של מכבי באירופה, ארצות הברית, קנדה, אוסטרליה דרום וצפון אמריקה תרמו רבות להתפתחות מכבי. בכל הארועים הללו היתה נוכחותו של אריה רוזצנוויג הכרחית וחיונית. הוא העביר מידע למנהיגים המשתתפים על כל תחרות - אם היו אלו משחקי מכבי באירופה, משחקי הנוער של מכבי בצפון אמריקה או משחקי מכבי הפאן-אמריקאיים.

תרומתו הינה חיובית בכך שהיא מביאה לישראל את המספר הרב ביותר של ספורטאים, מנהיגים ומבקרים ברמה הגבוהה ביותר - דבר הנעשה בתיאום עם מאמצי הגדולים של הועדה המארגנת.

ניר עבודה מס' 2

אגף אכסון ותרבות

כללי

אגף אכסון נמצא בימים אלה בסיום שלב ההתארגנות וההיערכות לקראת משחקי המכביה ה-13. תכנית ההיערכות של האגף מבוססת על לקחי המכביות הקודמות.

אגף אכסון מתארגן לשיבוץ הספורטאים בכפרי האכסון על פי החלוקה לענפי הספורט, בהתאם לשיטה שהוכיחה את עצמה במכביה ה-12. לצערינו, מרשימת כפרי האכסון נפקד מקומם של שלושה מלונות גדולים ומרכזיים אשר שירתו אותנו בהצלחה במכביה ה-12 - קאונטרי קלאב ת"א, מרינה בת ים ומנדריין ת"א. במידה והמלונות הללו ישובו לפעילות סדירה, יתחדש עמם המו"מ וייעשה נסיון לשלבם בין כפרי האכסון. בשל סיבה זו תהיה מפת האכסון שונה - יהיו יותר כפרי אכסון ופריסת כפרי האכסון תהיה בעיקר בת"א, הרצליה ונתניה.

אגף אכסון ישלב במסגרתו ארועי תרבות, טיולים וסיורים על מנת להוסיף לאירוע גוון תרבותי יהודי ישראלי.

למותר לציין שהטיפול בשופטים ואח"מים יהיה באמצעות האגפים היעודיים למעט סידורי לינה.

ספורטאי נבחרות ישראל יתאכסנו בבית הארחה "בני דן" בת"א בשיטת "המיטה החמה" - התחלופה תהיה עפ"י לוח זמנים של התחרויות, למעט נבחרות ישראל בכדורגל, כדורסל וכדורעף שישתלבו בכפרי האכסון עם הספורטאים מחו"ל.

לוח הזמנים לארוחות יהיה גמיש ובהתראה מתאימה יוכלו לשנות את זמני הארוחות.

כל ספורטאי יקבל פנקס שוברים אשר יכלול כרטיסים לאירועים וביקורים שונים בעיקר באיזור ת"א, חלקם ללא תמורה וחלקם בהנחה. כפרי האכסון יפעלו במתכונת של "כפרים אולימפיים" ויתנו שירותים לספורטאים בכל הנושאים האירגוניים אדמיניסטרטיביים, החל בקליטה דרך השהות בתקופת המכביה באמצעות מגוון של אירועי תרבות בכפרי האכסון וחבילת טיולים בהחבי הארץ, וכלה בפזיזור עם תום המכביה.

מרכזי אכסון

1. אגף אכסון יקלוט אלפי ספורטאים משתתפי המכביה ה-13 במרכזי אכסון.
2. אכסון הספורטאים בכפרי האכסון יהיה על פי חלוקה לענף הספורט בו הם מתחרים כפי שהיה במכביה ה-12.
3. מרכזי האכסון יפעלו כ"כפרים אולימפיים" באמצעות צוות תפעולי מיומן ומנוסה תוך מתן שירותים מיוחדים לספורטאים:
 - א. לוח זמנים גמיש לארוחות (בהתראה מתאימה).
 - ב. מרכז מידע בכל כפר אכסון שיתן שירותי מידע על ארועי המכביה בפרט ופעולות מרכזיות בכלל.
 - ג. צוות תפעולי - צוות אכסון שיפעיל את כפר האכסון בכל תקופת המכביה.
 - ד. משרד שיפעל מידי יום בין השעות 07:00 - 24:00.
 - ה. שירותים רפואיים - חובש/ רופא בכל כפר אכסון יתן טיפולים מתאימים לספורטאים.
 - ו. אבטחה ובטחון - בתיאום עם משטרת ישראל ועל פי ההנחיות.
4. מכבית הנוער - קיימות שתי אופציות של אכסון ספורטאי מכבית הנוער.
 - א. הספורטאים יתאכסנו בחמישה כפרי אכסון על פי החלוקה לענפי הספורט בצמוד לספורטאים "הרגילים" תוך מגמה לאפשר להם להיות במסגרת אימונים מתאימה.
 - ב. ריכוז הספורטאים בכפר אכסון אחד - בוינגייט - בשל התנאים המתאימים (החלטה לגבי אכסון הנוער תועבר בפלנוס).
5. ותיקים - "מסטרס" - ספורטאים המעוניינים באכסון באמצעות המכביה, ישהו במלונות בזל וסיני בת"א. המעוניינים יעבירו אינפורמציה בהקדם.
6. בכפרי האכסון יתקיימו ארועי תרבות בעיקר בערבים מתוך מגמה להציג פולקלור ותרבות ישראלים בצד הנושא החברתי.
7. ספורטאים שיתאכסנו בכפרי האכסון בנהריה (שייט) ובטבריה (חתירה) יעברו בתום תקופת התחרויות לאחד מבתי המלון בת"א עד תום המכביה.
8. כפרי האכסון יפתחו ביום חמישי 29.6.89.

אגף התחבורה

שיטת ארגון וביצוע ההסעים

כללי

ההסעים במכביה ה-13 יתוכננו ויבוצעו ע"י אגף התחבורה, וזאת על סמך הזמנות האגפים השונים. ניהול וארגון ההסעים יחולקו באגף לשני מישורים: א: הסעות ספורט ואימונים ב: הסעות לאירועים מיוחדים.

הסעות ספורט ואימונים

יוצמדו מיניבוסים לכפרי האיכסון המאווישים ע"י נהגים שתודרכו קודם לכן. מספר המיניבוסים בכל כפר יהיה לפי כמות המתאכסנים שבו, ענפי הספורט, ריחוק ממוקדי התחרויות וכל זאת, לפי האפשרויות. המיניבוס יהיה תחת שליטתו של רכז התחבורה בכפר האיכסון אשר מייצג את אגף התחבורה. מטה האגף יקיים קשר מתמיד עם הרכזים כדי לקבל דיווח שוטף על ההסעים שבוצעו ויפתור בעיות במידה ויהיו. בין כפרי האיכסון יופץ ספר הסעים מיוחד ובו יפורטו כל ההסעים של התחרויות והאימונים ולפיו יעבדו בכל כפר וכפר. בנקודה מרכזית בכפרים יוצג לוח ובו יפורטו כל הסעי אותו יום והיום שלמחרת.

הסעות לאירועים מיוחדים

ההסעות לאירועים מיוחדים יתחילו למעשה עם החזרות הראשונות של טקס הפתיחה, ימשיכו דרך הבאת האחמ"ם לקיסריה, הספורטאים לערב ברוכים הבאים, לקונצרט בת"א לטיולים וסיורים ברחבי הארץ, לכנסים, ולאירועי תרבות. אירוח ע"י שגרירויות, לטקס בר המצווה והנעילה בירושלים, וכיו"ב עד לפיזור הספורטאים לנתב"ג עם תום ארועי המכביה ה-13. ההזמנות להסעות אלה ינתנו דרך רכזי התחבורה בכפרים או ע"י האגף המזמין - הכל לפי העניין. האוטובוסים ישולטו בשלטים בצבע הכפר ובשם הכפר בשפה האנגלית. אגף התחבורה ידאג לחניונים מיוחדים בשיתוף עם גורמים שונים כמו עיריות, משטרה, ובטחון, וכן ידאג האגף לשילוט והכוונה באתרים ובמוקדים השונים. כל הסעי V.I.P לבין מטה התחבורה.

שאטל

על מנת לאפשר לספורטאים לבקר את חבריהם בכפרי האיכסון יוקם מערך הסעים אשר ינוע בכפרים שונים. תכנון מערך זה ייעשה לאחר קבלת מידע מדויק לקבל מיקום סופי של כל כפרי האיכסון ובהתחשב בעובדה שלספורטאים תהיה קרוב לודאי נסיעה חופשית בקווי אגד בתקופת המכביה. התכנון ייעשה תוך כדי ניצול מירבי של מיניבוסים שהם רכב אירגוני של כפר האיכסון ולאחר קבלת נתונים מדויקים של מספר הספורטאים הנמצאים בכל כפר וכפר. לאחר קבלת הנתונים הנ"ל ייבנה מערך השאטל.

תקנון סמים ממריצים

1. עפ"י הוראות הועד המארגן של משחקי המכביה ה-13, חל איסור מוחלט על כל ספורטאי, מתחרה, שחקן, וכל מי שנוטל חלק במשחקי המכביה ה-13, הן באופן ישיר והן באופן עקיף:
2. א. להשתמש בסמים ממריצים, מכל מין וסוג שהוא, ובכל עת.
ב. לסייע לשימוש בסמים ממריצים, כאמור לעיל, בכל דרך שהיא, לרבות על דרך של התעלמות משימוש בסמים ממריצים ע"י ספורטאי, מתחרה, שחקן. בקבוצה/משלחת, וכל אדם הנוטל חלק במשחקי המכביה ה-13, הן באופן ישיר והן באופן עקיף.
3. כל ספורטאי, מתחרה, שחקן (וכל מי שנוטל חלק במשחקי המכביה-13 להלן: "הנבדק"), חייב להתייבב לבדיקת שימוש בסמים ממריצים, עפ"י הוראת אגף הספורט של המכביה ובהתאם להוראות הבדיקה אשר אושרו ע"י האגף הנ"ל.
4. נבדק אשר יסרב לעבור בבדיקה כאמור בסעיף 2 דלעיל ייחשב, לצורך פסילתו מהתחרויות, כנבדק אשר נטל סמים.
5. אכיפת הפיקוח על הבדיקות, כאמור לעיל, תהא בידי הועדה לשרותים רפואיים של המכביה ה-13, או כל מי שהוסמך על ידה.
- א. נבדק אשר יימצא כי נטל סמים, ייפסלו כל התוצאות אשר השיג בתחרויות האישיות והוא ייפסל מהשתתפות בכל תחרויות המכביה-ה-13.
- ב. בתחרויות קבוצתיות, לבד מפסילתו של הנבדק, אשר נמצא כי נטל סמים, תיפסל גם תוצאת התחרות הקבוצתית, שלגביה נפסל אותו נבדק.

7. אופן הפיקוח והבדיקות

- א. מדגם מקרי של ספורטאים יבדק בענפי ספורט שונים.
- ב. מספר הספורטאים שיבדקו באופן מדגמי בכל ענף יקבע בתיאום ועדות הספורט.
- ג. במידה וקיים חשד לשימוש בסם ע"י ספורטאי, הוא יבדק ללא קשר לבדיקה המיזגמית.
- ד. במידה ומספר ספורטאים מענף ימצאו נוטלים סמים, יבדקו כל הספורטאים הנוטלים חלק בענף זה.
- ה. הספורטאים יכולים להיבדק יותר מפעם אחת במרוצת התחרויות.

ו. מיד עם תום התחרות או סיום הפעילות הספורטיבית, המתחרה הנבחר יקבל הוראה מחבר הועדה הרפואית לגשת לחדר הבדיקות להיבדק. המתחרה ילווה ע"י חבר הועדה הרפואית

לגשת לחדר הבדיקות להיבדק. המתחרה ילווה ע"י חבר הועדה הרפואית אשר יתן לו טופס ממוספר ובו יציין את מספר הספורטאי וכן אזהרה, שעליו להגיע לחדש הבדיקות וכן שמתן דגימת הדם או השתן יהיה בנוכחות איש רפואה (רופא, אחות, חובש וכד'). הספורטאי יחתום כי קיבל את הטופס. עותק מהטופס ישאר אצל חבר הועדה הרפואית.

ז. לא התייצב המתחרה לבדיקות בזמן סביר לאחר סיום התחרות, תועבר תלונה לועדה המארגנת וינקטו נגד הספורטאי צעדים לפי החלטת הועדה הרפואית והועד המארגן של משחקי המכביה ה-13.

ח. בהגיע המתחרה לחדר הבדיקות, יזדהה המתחרה בעזרת תעודה מזהה. זמן הגעת המתחרה ופרטיו האישיים ירשמו בטופס וביומן התחנה. המתחרה יקבל כוסית חדשה ע"מ לתת דוגמת שתן.

ט. סרב המתחרה לתת דוגמת שתן - יוזהר לגבי התוצאות ואחריותו למעשהו. במידה ועומד בסירובו, ירשם הדבר בטופס, עליו יחתמו חבר הועדה ואיש התחנה (מהסגל הרפואי). הממצאים יועברו לועדה הרפואית ולועדת הספורט. במידה והמתחרה, לאחר זמן סביר אינו יכול לתת שתן, ירשם הדבר בטופס כקודם.

י. מיד לאחר מתן דוגמת השתן, יקבל המתחרה שקית ובה שתי כוסיות חתומות ובהם יתן מחדש דוגמת שתן. אחראי התחנה יסמן על כל אחת מהכוסיות את מספר הטופס ויחתום אותם בנוכחות המתחרה. המתחרה, חבר הועדה המלווה ואחראי התחנה יחתמו על טופס הבדיקה וכן ביומן התחנה.

יא. דגימות השתן יועברו במהירות האפשרית למעבדה מאושרת ע"י ועדת הספורט והבדיקות יבוצעו במהירות האפשרית. במידה ונמצאה דגימת שתן חיובית, תבוצע בדיקה חוזרת מכוסית אחרת וע"י בודק אחר. תימסר הודעה על כך בכתב לועד הספורט אשר יעביר זאת בכתב לראש הקבוצה של המתחרה.

יב. ועדת הספורט תתכנס בדחיפות על מנת להחליט לגבי אותו מתחרה שלגביו בדיקת השתן נמצאה חיובית.

רשימת הסמים האסורים

רשימת הסמים נחלקת כדלקמן:

- א. STIMULANTS.
- ב. NARCOTICS.
- ג. ANABOLIC STEROIDS.
- ד. DIURETICS.

STIMULANTS .א.

תחת הגדרה זו כלולים סוגים שונים של תרופות אשר מגבירים את הכושר ומקטינים את העיפות. כתופעות לוואי, הם מגבירים את הרוגז וחוסר הזהירות, מקטינים את כושר השיפוט, אשר במקרים מסוימים עלול לגרום לתאונות. אסמפטמין ונגזרותיו מהווים דוגמא בולטת לסיבוכים עקב השימוש בהם בתחרויות ספורט. אין כל סיבה רפואית לשימוש באמפטמין בספורט. קבוצה נוספת הנכללת בהגדרה זו היא קבוצה הסימפטומימטיק כדוגמת האפדרין. במינונים גבוהים, תרופה זו מהווה גורם ממריץ מבחינה מנטלית וגורמת לזרימת דם מוגברת. תופעות לוואי: עליה בלחץ דם, כאבי ראש, האצת דופק הלב ולעיתים אי סדירות של הדופק, דאגה ולעיתים רעד.

NARCOTICS & ANALGESICS .ב.

התרופות המשתייכות לקטגוריה זו, ברובן נגזרות ממורפין, פועלות להרגעת כאב. יחד עם זאת, תופעות לוואי חמורות קיימות בשימוש בתרופות אלו: דיכוי נשימה, התמכרות פיזית ונפשית. קיימות הוכחות, ששימוש בתרופות נרקוטיות כמשכך כאבים נלקחו בספורט במינון יתר. עם הסיבוכים המצוינים לעיל. השימוש בתרופות אלו נאסר באופן מוחלט ע"י הוועד האולימפי בצמוד להחלטת ארגון הבריאות הבינלאומי. יש לציין כי הטיפול בכאב קל ובינוני יכול להתבצע באופן אפקטיבי בעזרת תרופות לא נרקוטיות לדוגמא - תרופות אנטי אינפלמטוריות.

.ג.

ANABOLIC STEROIDS

קבוצת תרופות אלו כוללת תכשירים הנגזרים מההורמון הגברי טסטוסטרון. בעבר השתמשו בהם בספורט הן בכמויות גבוהות ע"מ לבנות את השרירים ולחזקם, ולהעניק יותר כוח ועוצמה, הן בכמויות נמוכות בניסיון לשיפור היכולת התחרותית. תופעות לוואי לשימוש בהורמון זה ונגזריו - הפרעות פסיכולוגיות, הפרעה בתיפקוד הכבד והמערכת הקרדיו-וסקולרית. אצל גברים, השימוש בהם יכול לגרום להקטנת האשכים וייצור הזרע; אצל נשים - הופעת סימני גבריות, ACNE, גדילת שיער הבושת בצורה גברית, דיכוי פעילות השחלות והוסת. בגיל ההתבגרות, עלול לעכב גדילת העצמות עקב סגירה מוקדמת של האפיפיזות.

לגבי טסטוסטרון באופן מיוחד: ההגדרה של בדיקה חיובית היא העליה ביחס טסטוסטרון/ אפיטסטוסטרון מעל 6 בבדיקת השתן.

ידוע, שהשימוש אצל גברים ב-

HUG HUMAN CHORIONIC GONADOTROPIN ותרופות דומות גרומות לעילה בייצור הסטרואידים האנדרוגניים. השימוש בתרופות אלו אסור.

ד. DIURETICS

התרופות המשתנות הינן בעלת חשיבות רפואית בסילוק נוזלים מהגוף בעת הצורך. בספורט, נעשה שימוש בתרופות אלו בשני מצבים: כאשר יש צורך להוריד משקל באופן מדי בתחרויות היכן למשקל הגוף יש חשיבות, ולאחר נטילת סמים, לדלל את השתן בנסיון להעלים את עובדת לקיחת הסמים בבדיקת השתן. השימוש בתרופות אלו להורדה במשקל אינו בריא וכרוך בתופעות לוואי. בנוסף, הורדה מידית במשקל בספורט, היכן למשקל יש חשיבות, מהווה מניפולציה לא הוגנת ולכן הינה אסורה.

ה. CORTICOSTEROIDS

השימוש בסטרואידים בצורת כדורים, הזרקה תוך שרירית, תוך ורידית או תוך פרקית אסורה באופן כללי. השימוש במשחות על בסיסי סטרואידים מותרת. במידה וקיימת הוראה רפואית למתן תרופות סטרואידיות בצורה המצוינת אסורה, על רופא הקבוצה להודיע על כן בכתב לוועדה הרפואית.

ו. תרופות מוגבלות

השימוש באלכוהול אינו אסור. למרות זאת, בבדיקת רמת אלכוהול בדם או בנשימה עולה להיזרש במקרים מיוחדים ע"י ועדה הרפואית. השימוש במאלחש מקומי מותר פרט לקוקאין. האילחוש יכול להעישות באופן מקומי או תוך פרקי. כל שימוש במאלחש בהזרקה תו פרקית, מחייב הודעה בכתב לוועדה הרפואית ע"י הרופא המאלחש.

המכביה ה-13 טכס הפתיחה.

הקדמה

טכס הפתיחה של המכביה נקשר באופן טבעי מעצם היותו ה-13 במספר ל"בר המצוה".
אותו טכס מסורתי המעביר את הילד היהודי משלב הילדות לבגרות ומכניסו לעול המצות.

מנושא הבר-מצוה גובשה תוכנית הטומנת החובה מעין השתלשלות היסטורית של העם היהודי על ברכי המסורת אשר ליכדה ושמרה על ציוננו כעם במשך השנים הרבות בתפוצות.
דרך העליה ארצה, הקמת המדינה, העמקת השורשים והשמירה עליהם.

אות הפתיחה למופע האומנותי יהיה טכס בר מצוה המוני, המציין את יחודה של המכביה ה-13. דרכו אנו יוצאים למסע, שמתחיל בעירה היהודית בגולה המתוארת במופע בקטע "כנר על הגג" הממחיש את אופי העירה, הווי החיים בה והמסורת אשר שמרה על יחודנו כיהודים, דרך העירה בגולה ממשיך המסע לעילה ארצה על זרמיה העקריים הן מהמזרח והן מהמערב. במופע ניתן ביטוי לזרמים אלה על ידי שני סמלים של התקופה "טוביה החולב" ו"סאלח שבתי", אשר מספרים את סיפור העדות השונות המגשימות אל חלומן בעלותן לארץ-ישראל.

קיבוץ גלויות ואיחוד התרבויות השונות והמגוונות הצמיחו דור חדש של "צברים" המצעידים את המדינה הצעירה קדימה.
את הדור החדש מיצגים במופע מאות בני נוער במפגן ענק של התעמלות, וכמובן כיצד אפשר לספר סיפורה של המדינה ללא צבא ההגנה לישראל, אשר מאפשר את קיומנו, כעם במדינה ישראל המופע חיילים מיצג את צה"ל בתוכנית.

מדינה הקולטת רבבות עולים מכל התפוצות ומכל העדות מאופיינת בתרבות רב-גונית. וכך אנו ממשיכי את מסענו דרך התרבויות השונות שיתקבצו בארץ ויצרו פולקלור יחודי, שמתבטא בריקודי עם שלנו.

בסופו של המופע מלכדים כל הגורמים הלוקחים חלק בתכנית לגוש אחד גדול המסמל את הקשר והאחדות של העם היהודי, גאוה של שייכות לעם הזה במבט לעתיד. להגברת העליה, ביסוסה ופיתוחה של מדינה בשלב התבגרותה.

עד כה קיבלנו רק מ-3 ארצות את שמו של קצין העיתונות במשלחת. אנו חוזרים ומבקשים להעביר אלינו את שם קצין העיתונות על מנת שניצור עימו קשר.

(7) עיתונות מקומית

ראשי המשלחות מתבקשות להגביר את הקשרים עם נציגי העיתונים היהודיים באזורים. מדובר בהעברת חומר שוטף על המתרחש ועל ההכנות לקראת המכביה. לשלוח תמונות מתחרויות הכנה, סיפורי צבע ורקע על הספורטאים והמשלחת עצמה. כמו כן לשלוח לעיתונות המקומית כל חומר שיגיע מישראל. עיתונות מקומית אוהדת - כלל ראשון ליצירת אווירה לקראת המכביה.

(8) האמנת עיתונאים

אגף העיתונות הרדיו והטלוויזיה יעניק תעודות עיתונאי רשמיות של המכביה רק לעיתונאים שיעמדו בקריטריונים הבאים, למי שלא יעמוד בהם לא נוכל להעניק תעודות:

- א. תעודות עיתונאי: רישמית מטעם לשכת העיתונות הממשלתית בישראל (לכתבי חוץ המשרתים בישראל) יציגו מכתב מעיתון בו יאמר במפורש שהם מייצגים את העיתון במשחקי המכביה ה-13.
- ב. צלמים: כרטיסי זיהוי לצלמים ינתו עפ"י אותם הקריטריונים הקיימים לגבי העיתונאים. לא יונפקו כרטיסי זיהוי לצלמים שלא עפ"י קריטריונים אלה.
- ג. הסרטה ווידיאו או סרט: אישורי הסרטה בווידיאו ו/או סרט יוענקו רק לסרט המכביה הרשמי שיופק ע"י הוועד המארגן. לא תורשה הכנסת צוותי צילום אחרים לשטח האיצטדיון, ואתרי הספורט.
- ד. צילום טלוויזיה: היתר צילום לטלוויזיה יוענק ע"י הוועד המארגן לרשת שידור אחת. הרשת שתיבחר תגיע להסכמים על מתן חומר מצולם לרשתות אחרות כנהוג, ולאחר מו"מ איתם.

9. קשר רצוף

אנו חוזרים ומזכירים לכל הארצות כי אגף העיתונות עומד לשירותם בכל הקשור לאמצעי התקשורת. ניתן לכתוב, לשאול ולקבל מידע לעתה ועד תחילת המכביה.

DEPARTMENT OF ACCOMMODATIONS AND CULTURE

GENERAL INFORMATION

The Accommodations Department is finishing the organization and preparation stages for the 13th Maccabiah Games. The program of preparation is based on what we have learned from the Maccabiah Games in previous years.

The Accommodations Department is organizing the housing of the athletes in the Accommodation centers according to their respective sporting events. This method proved to be effective in the 12th Maccabiah, and therefore will be continued in the 13th Maccabiah Games. Unfortunately, we will not have at our disposal the facilities of three major hotels which served us successfully in the 12th Maccabiah: Tel Aviv Country Club - Tel Aviv, Marina Hotel - Bat Yam, and the Mandarin Hotel - Tel Aviv. In the event that these hotels return to their regular activities, negotiations with them will begin again. Consequently, there will be a greater number of accommodation centers and they will be concentrated in Tel Aviv, Herzlia and Netanya.

The Accommodations Department will additionally be in charge of providing cultural activities, local tours, and day trips. The goal of these being to enhance the athletes' stay with Jewish and Israeli culture and general knowledge of Israel.

THE ACCOMMODATION CENTERS

1. The accommodation centers will provide special services for the Maccabiah participants. A fully trained and experienced staff will help the athletes in all organizational and administrative issues. The staff will be on duty throughout the Maccabiah period, including the welcoming of the athletes, providing a variety of cultural events, package tours, and general services. Their duties will continue until the athletes' departure at the end of the Maccabiah. The staff's office will be open daily from 7:00 AM - 12:00 AM.
2. An Information Center will be established in every accommodation center to provide information on Maccabiah events and on various other activities available to the athletes.

3. The timetable of the meals will be flexible, and given appropriate notification, may be changed. Every athlete will receive a Coupon Booklet which will include tickets for various visits and events, primarily in the Tel Aviv area. The coupons will provide the athletes with substantial discounts, or services and items free of charge.
4. Medical services - a doctor/medic stationed in every accommodation center, will attend to the athletes if the need arises.
5. Security - in coordination and conjunction with the Israeli Police and their regulations.
6. Junior Maccabiah - there are two options for accommodating the athletes of the Junior Maccabiah. The final accommodation plan will be decided at the IMC meeting in February.
 - A. The "Junior" athletes will be accommodated in five accommodation centers according to their sport, together with the "Adult" athletes, so that they will be in an appropriate training framework.
 - B. The "Junior" athletes will stay in one accommodation center - in Wingate - because of the suitable facilities.
7. "Masters" - the "Masters" athletes who are interested in obtaining accommodations through our department will stay at the Basel or Sinai Hotels in Tel Aviv. Such accommodations will be made available only upon request.
8. Cultural events will be held in the accommodation centers, primarily in the evenings, so as to present Folklore and Israeli culture in addition to relevant social issues.
9. Athletes who will be accommodated in Nahariya (sailing) and Tiberias (rowing) will be transferred to Tel Aviv for the duration of the Maccabiah, at the completion of their own competition.
10. The accommodation centers will be opened on Thursday, June 29, 1989, until Friday, July 14, 1989. Those athletes interested in extending their stay will require additional reservations and will be required to handle additional expenses on their own.

11. The distribution of the athletes in the accommodation centers is not final, as this is dependant on the final registration of the athletes, and their respective sporting events.

5. Dining Room Regulations

- A. Every athlete will receive a booklet with food coupons for his/her accommodation center.
- B. Each coupon will indicate the date and meal for which it is to be presented, i.e. Wednesday, July 5, 1989 - LUNCH. Coupons will only be accepted upon display of athlete's official identity card.
- C. The coupon booklet is intended for use only in the specific accommodation center in which the athlete is staying.

- D. The Delegation Manager must inform the local Maccabiah Staff Manager (in the accommodation center) at least 24 hours ahead of any change in the timetable of the meals as a result of a trip, training, or competition so that more suitable arrangements may be made.
- E. Lunch Box - In some cases the athletes will be given lunch boxes, e.g. at the Opening Ceremony, Closing Ceremony, or on trips.

TOURS AND TRIPS

One of the main aims of the accommodations department is to encourage the athletes to tour the country in their free time with a variety of organized tours throughout Israel.

1. The tours will be lead by qualified tour guides in 4 different languages - English, French, German. and Spanish.
2. The route of the tours will be approved by officials of the army and the police.

6. Registration for the tours will open 72 hours prior to the tour, and will close 24 hours prior to the tour. The tour groups will be divided according to the route of the tour, and the language of its' participants.
7. During the first week of the Maccabiah only the "short" tour will be available so as not to disturb the training schedules of the athletes. The "long" tour will be offered throughout the second week.
8. The scheduling of the tours will allow each athlete to go out on at least one tour.

9. Due to budgetary considerations, the Heads of Delegations are asked to encourage as many athletes as possible to join the tours so that the buses will be full.
10. In the event that sufficient registration is not received by 24 hours prior to departure of the tour, the Department reserves the right to cancel the trip.

WORKING PAPER NO. 3

TRANSPORT DEPARTMENT

ORGANIZATION AND OPERATION OF TRANSPORT

GENERAL

Transportation for the 13th Maccabiah will be organized and operated by the Transport Department on the basis of reservations by the various departments. Management and organization of the transportation will be handled on two levels:

- a. Transportation to Sport events and Training
- b. Transportation for special events

Transportation for Sport Events and Training

Minibuses, with drivers who are qualified for this task, will be located in each village where the athletes are accommodated. The number of minibuses will be allocated according to the number of athletes in each village, their sports' branches and the distance of the various competitions from each other. Minibuses will be under the supervision of the Transport Coordinator in each village who will represent the Department. The Department's administration will be in close contact with the Coordinators so as to receive current reports on the organized transport and to solve problems. A Transportation Brochure will be distributed among the villages which will give information on transportation to the competitions and the training sessions. There will also be a permanent place in the village where a timetable about the daily transport will be published.

Transportation for Special Events

Transportation for special events will begin with the first rehearsals of the Opening Ceremony. It will continue with the transportation of the V.I.P.'s to Caesarea, to the Welcome Evening, to the Concert in Tel-Aviv, for tours and trips in Israel, to gatherings, cultural events, hosting by the Embassy, the Bar Mitzvah and Closing Ceremonies in Jerusalem, etc., until the departure of the athletes to the airport at the end of the 13th Maccabiah Games. Reservations for transport to these events will be arranged through the Transport Coordinators in the Villages or by the Reservations Department. Buses will be labelled with the name of their

Accommodation Villages in English and will have the colour of their Villages. The Transportation Department will arrange special parking places in cooperation with the municipalities, police and security and it will also arrange for special directions to the various competition venues. All the V.I.P. Transportation will be organized by a special liaison, under the auspices of the Transportation Department, who will coordinate transport issues on a regular basis between the V.I.P. Department and the Transport Department.

Shuttle

To allow the athletes to visit their friends in the other villages another transportation shedule will be established that will run between the various Villages. Planning of this shedule will be done after we receive the final information on the location of the various Villages. We will also take into account the fact that the Athletes will be able to travel freely on the Egged buses during the period of the Maccabiah. The idea is to make maximum use of the minibuses which will be an integral unit of the Villages and, after we receive the exact number of athletes in each Village, we will plan the shuttle shedules accordingly.

1. The Sports Committee will immediately convene to decide about the competitor whose urine sample has been found to be positive.

LIST OF FORBIDDEN DRUGS

This list is divided as follows:

- A. STIMULANTS
- B. NARCOTICS
- C. ANABOLIC STEROIDS
- D. DIURETICS

A. STIMULANTS

This category includes different types of medicine that increase fitness and decrease tiredness. Their side effects are the increase of nervousness and carelessness and a decrease in judging ability which, in some cases, may cause accidents. Amphetamine drugs and their generic family are a good example of causing complications as a result of their use in sports. There is no medical reason for the use of amphetamines in sports. Another group which is included in this definition is the group of Sympathomymetic of which Ephedrine is the best known. In vast amounts, this medicine causes increased blood flow and increases the mental faculties.

Side effects: Increase in blood pressure, headaches, increased heart rate, sometimes an irregular pulse, worry and sometimes tremors.

B. NARCOTICS & ANALGESICS

The medicines from this group are mainly taken from Morphine and are used for easing pain. However, there are some serious side effects to these medicines: breathing difficulties and mental and physical addiction. There is evidence that the use of narcotic medicine as a pain killer has been used in sports on a vast scale with the above-mentioned complications. The use of these drugs has been totally forbidden by the Olympic Committee, according to the International Health Organisation decision. Strong or medium pain can be effectively controlled with the help of such non-narcotic drugs as anti-inflammatory medicine.

C. ANABOLIC STEROIDS

This group of medicines includes medicines from the male hormone, Testosterone. In the past these have been used in sports to develop and strengthen the muscles and to give them more power; also in small amounts to increase competitive ability. The side effects of this hormone in men are:

psychological disturbances. disturbances in liver activity and the cardiovascular system. It can lead to a decrease in the size of the testicles and production of a limited amount of sperm. Women will start showing masculine characteristics. such as acne. male pattern hair growth in the genitalia. depressed ovarian activity and irregular menstruation. In adolescence it might interfere with growth as a result of early closing of the Epiphyseal

As for Testosterone specifically: The definition of a positive examination is the increase in the relation of Testosterone/Dihydroepiandrosterone to over 6 in the urine sample. It is known that the use of human Chorionic Gonadotropin by men and similar medicine, causes an increase in the production of androgenic steroids. The use of this medicine is forbidden.

Diuretics

This group of medicine is medically important for eliminating the liquids in the body when necessary. The use of this drug in sports is two-fold: when there is an immediate need to shed a lot of weight in the competitions where the weight of the body is important; and after taking drugs, to increase urine production to disguise the evidence of drug use in the urine sample.

The use of these drugs for the purpose of losing weight is not healthy and involves side effects. In addition, the losing of weight in sports where weight is important is an unfair manipulation and is therefore forbidden.

CORTICOSTEROIDS

The use of steroids in the form of tablets, muscular injection, venous injection, intraarticular injection, is absolutely forbidden. The use of steroids in creams is allowed. If medical permission has been given to use steroid medicines in the forbidden form, the group doctor has to notify the Medical Committee in writing.

LIMITED MEDICINES

The use of alcohol is not forbidden. However an examination for the amount of alcohol in the blood or the breath may be required in some special cases by the Medical Committee. The use of a local anaesthetic is allowed, except for Cocaine. The anaesthetic can be given locally or interarticularly. Any time a local anaesthetic is given by interarticular injection, the Medical Committee must be notified in writing by the physician.

BLOOD DONATION

As a humane gesture, the last IMC meeting it was decided to initiate and encourage blood donations through the Head of Delegations in the Maccabiah.

The donation will be organized in cooperation with, and under the management of the Red Cross, under the leadership of Shevach Meschulam - The national director for blood donations in the Red Cross.

We emphasise once again that the entire procedure will be carried out under the auspices of the Ministry of Health and according to their criteria, and therefore there is no danger of harming one's health.

The clinics will be held in the Accommodation Centers after the athletic programmes. (see: "times of blood donations in Appendix no.2)

The Red Cross is prepared to supply 8-10 teams to operate blood clinics, working simultaneously in the various Accommodation Centers.

The Accommodation Centers will provide an airy room for the clinics with beds and refreshments for the donors.

Every donor will receive a Certificate of Thanks for his donation.

A circular will be produced in cooperation with the Red Cross and will be distributed among the delegations on their arrival and in the Accommodation Centers during their stay. There are also plans to publish and publicize material on blood donations for the Heads of Delegations so as to encourage the athletes and the coaches, officials and delegation managers to participate in it.

We ask all the country representatives to encourage this humane enterprise so as to make it a great success.

INTRODUCCION

La Ceremonia de Apertura de la Macabeada, que es la número 13, tendrá connotaciones de Bar Mitzvá, la ceremonia tradicional por la cual todo joven judío pasa de la infancia a la adultez.

Basándonos en el tema de Bar Mitzvá hemos preparado un programa que contiene los temas históricos del Pueblo Judío que conservó sus tradiciones, y éstas a la vez lo conservaron unido durante los largos años de Galut, hasta la Aliá, el establecimiento del Estado de Israel y la profundización y preservación de sus raíces.

La señal de apertura de la presentación artística será una Ceremonia de Bar Mitzvá que simbolizará la conjunción con la 13a Macabeada, y que representará el comienzo de un largo trayecto que nos lleva del Shtetl en la Diáspora de Europa como aparece en "El Violinista Sobre el Tejado", la Aliá de los Dispersos de todo el mundo - con Salaj Shabati y Tuvia Hajolev, símbolos de la conjunción de los Dispersos, quienes relatan la historia de las distintas comunidades que con su Aliá ven el sueño de Eretz Israel hacerse realidad.

La nueva generación, los "zabras", resultado de la unión de diferentes culturas, son los que ahora muestran el camino a la joven Nación representada por los cientos de jóvenes que participan en un espectáculo gigante de gimnasia. Y por supuesto, el cuadro "Soldados" que representa al Ejército de Defensa de Israel, sin el cual la historia de Israel no estaría completa, cierra esta representación.

Israel absorbió millares de olim de distintas culturas que se unen en Israel en forma simbólica en las danzas Israelíes.

Al final del espectáculo se unen todos los factores que tomaron parte en el programa, en una gran masa humana, lo que simboliza la relación y la unión del Pueblo Judío, el orgullo de pertenecer a este pueblo que dirige su mirada hacia el futuro: incrementando la Aliá y afianzando y fortaleciendo el crecimiento del Estado de Israel.

CEREMONIA DE APERTURA

DESCRIPCION DE LA CEREMONIA

1. El público que acuda a la Ceremonia de Apertura de la 13a Macabeada-la Macabeada Bar Mitzvá, verá, desde las tribunas del Estadio Nacional de Ramat Gan, el emblema de la 13a Macabeada que sobre el césped formarán miles de globos.

Recibimiento de Honor - Un toque de trompetas indicará la llegada del Presidente del Estado de Israel, Jaim Herzog, quien hará su entrada junto a su escolta, en automóviles oficiales y flanqueados por una guardia de honor motorizada.

Al descender el Presidente de su automóvil se oirá un toque de trompeta al tiempo que se izará su Bandera.

Los dirigentes de la Macabeada recibirán al Presidente, quien junto a ellos se dirigirá hacia sus asientos en el palco de honor, mientras que tres aviones, portando las banderas de Israel y la Macabeada, surcarán el cielo.

2. 650 niños de Macabi Tzair, que ya se hallarán en el Estadio soltarán miles de globos, y ante el atento público, formarán las palabras: "Maccabiah Bar Mitzvah". El cuadro terminará con un saludo al público.

3. Se da la señal para el comienzo del desfile de las delegaciones. Al frente del mismo, marcharán los abanderados de Israel, seguidos de inmediato por los representantes de la Macabeada Juvenil y las delegaciones, según orden alfabético, a cuyo frente aparecerá el nombre del país que representan y su abanderado.

Las delegaciones pasarán ante el Palco Presidencial, saludarán y se ubicarán sobre el césped central del Estadio.

Desfile con redoble de 100 tambores, seguidos por esgrimistas que constituyen la Guardia de Honor de la Bandera de la Macabeada.

Trece veteranos miembros del Movimiento llevarán la Bandera de la Macabeada, siendo acompañados por portadores de los emblemas de todas las Macabeadas, desde la primera hasta la presente.

200 violinistas vestidos de blanco salen de las casas de esta aldea y con la melodía de "El Violinista en el Tejado" marchan al centro, iluminados por reflectores. Se encienden las luces en todas las casas de la aldea y cientos de bailarines entran en escena mientras la iluminación aumenta gradualmente.

Comienza la danza con melodía de "El Violinista en el Tejado". La danza se compone de tres partes: Plegaria, Bodas y Brindis. Del fondo del escenario hace su entrada una carreta tirada por caballos y acompañada por 800 niños. Sentado en la carreta un actor-cantor que interpreta el rol del lechero Tuvia canta la canción "Si yo fuera Rotschild" y ocupa el centro del escenario.

Del lado opuesto del escenario hace su entrada un "tender" del año 40 y sentado en el mismo un actor-cantor que representa el rol de Salaj Shabati. El cantor entona una canción de la revista musical "Salaj Shabati" y se acerca al centro del escenario.

Tuvia y Salaj se encuentran en el centro del escenario, hecho que simboliza la amalgama de diferentes culturas en Israel. Dejan la escena juntos, con las melodías centrales de las dos revistas musicales combinadas.

Los niños ocuparán ahora todo el césped para una demostración gimnástica al final de la cual forman cuadrados. Dentro de los mismos irrumpen bailarines vestidos de soldados para un espectáculo "Seú Ziona Nes Vadeguel". Al término del mismo se despeja el centro del césped y los participantes levantan los brazos al firmamento donde aparecen paracaidistas, que descienden al centro del césped y saludan al público.

Los niños-gimnastas ingresan nuevamente para un espectáculo "La cadena" con ayuda de artefactos (aros). Al término del mismo, los niños forman flores gigantescas. Conjuntos de danzas israelíes hacen su entrada entre estas flores humanas.

A continuación, entrará al Estadio un escenario móvil a cuyo alrededor se ubicarán todos los participantes: los niños Bar-Mitzvá, los soldados, los niños-gimnastas y los grupos de danzas.

En el centro del escenario aparece un cantor famoso entonando la canción "Am Israel Jai". El público se une al cantante agitando banderitas. Un helicóptero aparece sobre el Estadio y suelta una lluvia de confetti. Todas las delegaciones se unen en danzas israelíes, y con manos entrelazadas entonan, junto con todo el público en el Estadio, el Himno de la Macabeada.

La Ceremonia se cierra con fuegos artificiales.

Se izará la Bandera de la Macabeada.

El público, de pie, entonará el Hatikva. El Presidente de la Ceremonia de Apertura se dirigirá al Presidente de Israel pidiendo su autorización para dar inicio a los Juegos de la 13a. Macabeada.

El Presidente anunciará la apertura oficial de los Juegos, luego de lo cual se efectuarán 13 disparos de bombas luminosas.

Se disminuirá la iluminación en el Estadio. El locutor anunciará la plegaria de IZKOR mientras se arria la bandera de Israel a media asta y el público y los atletas, de pie, guardan un minuto de silencio en memoria de los caídos en las guerras de Israel y acciones enemigas. Plegaria de IZKOR.

Toque de trompetas

En ese momento, harán su entrada al Estadio 100 portadores de hachones formando guardia a ambos lados de la trayectoria del portador de la Antorcha Macabea, quien entrará al Estadio, pasando ante el Palco Presidencial.

A continuación, ascenderá la escalinata hasta la cima para encender la Antorcha de los 13 Juegos Macabeos cuyo fuego acompañará a los mismos hasta su término.

Se pide a los abanderados de las delegaciones presentarse para la ceremonia del juramento. Estos formarán un medio círculo y los competidores y jueces procederán a prestar juramento.

A la señal, las delegaciones abandonarán el césped central a través de pasajes especiales y con la máxima celeridad ocuparán los asientos designados.

Simultáneamente, harán su entrada 600 niños portadores de antorchas que celebran su Bar-Mitzvá. Con rayos Laser se dibujará sobre el césped la Menoráh de siete brazos sobre la cual formarán los niños.

Tres niños cantarán en español, hebreo e inglés la canción que fué compuesta especialmente para este evento. La misma habla de la pertenencia al Pueblo Judío. El público se une en el canto y al mismo tiempo levanta luces fosforescentes en colores azul y blanco. Los rayos Laser forman un gigantesco Maguen David que cubre todo el Estadio.

En el centro del césped, aparece un "kleizmer" que ejecutará en el clarinete una melodía jasídica.

Mientras la atención del público se centra en este "kleizmer" los niños Bar-Mitzvá abandonan el césped central, y un escenario gigante de una aldea judía ocupa su lugar.

3. Creative Writing Competition - as above

4. Discussion between Israeli Youth and Overseas Youth on the Maccabiah.

Israeli Television has suggested holding a discussion on the Maccabiah between Israeli youth and youngsters abroad. This plan, however, cannot be realized if we do not receive funds to send two Israeli Television representatives abroad. I will be glad if a member of the coming IMC meeting would be able to help.

5. A Quiz on the History of the Body Culture of the Jewish People

This Quiz is being organized for the first time and will be of a high standard. Participants should be twelfth grade students who study in a sports class. The first stage will be held in writing on January 17, 1989 and the second stage will be held in public at a later date.

We are waiting to receive help from the above institutions. Members of the organizing committee who have suggestions on how to receive help from the above are asked to inform us.

Moreover, the Organizing Committees of U.S.A., England and France will be able to extend their stay in Israel by six months if they purchase their tickets on EL-AL through the Jewish Agency.

WORKING PAPER NO. 10

PRESS, RADIO AND TELEVISION

For the period before and during the 13th Maccabiah, the Press, Radio and Television Department will be situated in Kfar Maccabiah. Previous experience demonstrated that the facilities at the Kfar were very adequate and therefore the reporters and staff decided that the office should be located there again.

The aim of the Department is to prepare the public in Israel and the world for the Maccabiah and to create favourable public opinion and interest through advertisements in the Press and articles.

TIME SCHEDULE

1. Bulletin

Starting from April, immediately after the Plenum, the Department will publish, once a month, a special Bulletin which will report on the preparations for the Maccabiah. The different countries are therefore invited to send us material about their preparations for the Maccabiah which will then be published in this bulletin. The purpose of this is to arouse interest and curiosity between the countries.

We would like to be informed if any well-known athletes will be participating in the Maccabiah Games. This information should include personal details like the height of a basketball player or his achievements in other sports areas. This information will help to make our publications more interesting to the public.

2. Department Staff

The Department will be staffed from April 1, 1989 with a secretary and a professional reporter who will write articles in English. At the same time, the Department will send updated material on the Maccabiah to all the participating countries.

The delegations must realize that it is only with their cooperation that the Department will be able to circulate current information.

3. Press Conference

As soon as the Plenary and IMC meetings are over, a press conference will be held which will summarize the results of the Plenary and the IMC meetings. Another press conference will be held near the time of the opening of the Maccabiah.

All the arrangements with reporters will be done in cooperation with the sport journalist section of the press association.

4. Press File

Reporters who attend the Maccabiah will be given a special "Press File" which will provide background information, reports and various details. Delegates who are interested in including their material in the file are asked to contact the Press Department.

5. Communication

The Press Department will have telephone lines for the use of the reporters. Overseas calls will be made collect.

The Department will provide updated information on the results of the competition which they will receive immediately after the conclusion of the competitions. With the help of a computer in the Department, one will be able to check previous records or other details about the participants.

Two telefax machines will be available to enable reporters to transfer material.

6. Press Officers

Up to this point, we have only received the names of press officers from three countries. We ask you again to send us the names of press officers as soon as possible so that we can contact them.

7. Local Press

The Heads of Delegations are requested to strengthen their ties with the Jewish Press representatives in their area. This should include transferring current information about preparations for the Maccabiah. They are asked to supply photos of the tryouts, colour articles and background information on the athletes and the delegation. They should also pass on to the local press any material they receive from Israel. The most important condition for preparing the ground for the Maccabiah is a favourable local press.

8. Press Accreditation

The Press Department will give official Press Cards only to those members of the press who fulfill the following criteria. Those members of the press who do not qualify, will not be issued these cards.

- a) Reporter's card: Formal card, given by the Governmental Press Office of Israel. Overseas reporters serving in Israel will have to present a letter from their newspaper, stating clearly that they represent that paper at the 13th Maccabiah Games.
- b) Photographers: Identity Cards for Photographers will be given with the same criteria as for reporters.
- c) Movie or Video Filming: The Movie or Video Filming Permit will be given only to the official Maccabiah Movie that will be produced by the Organizing Committee. No other film crews will be allowed into the area of the stadium and the sport locations.
- d) Television Filming: The Permit for the Television filming will be given by the Organizing Committee to one TV Channel. As usual, the chosen channel must agree to the transfer of filmed material to the other channels after negotiating with them.

We remind all the countries again that the Press Department is at their disposal for everything relating to media and communication. One can write, ask for and receive information from now till the beginning of the Maccabiah.

INTRODUCCION

La Ceremonia de Apertura de la Macabeada, que es la número 13, tendrá connotaciones de Bar Mitzvá, la ceremonia tradicional por la cual todo joven judío pasa de la infancia a la adultez.

Basándonos en el tema de Bar Mitzvá hemos preparado un programa que contiene los temas históricos del Pueblo Judío que conservó sus tradiciones, y éstas a la vez lo conservaron unido durante los largos años de Galut, hasta la Aliá, el establecimiento del Estado de Israel y la profundización y preservación de sus raíces.

La señal de apertura de la presentación artística será una Ceremonia de Bar Mitzvá que simbolizará la conjunción con la 13a Macabeada, y que representará el comienzo de un largo trayecto que nos lleva del Shtetl en la Diáspora de Europa como aparece en "El Violinista Sobre el Tejado", la Aliá de los Dispersos de todo el mundo - con Salaj Shabati y Tuvia Hajolev, símbolos de la conjunción de los Dispersos, quienes relatan la historia de las distintas comunidades que con su Aliá ven el sueño de Eretz Israel hacerse realidad.

La nueva generación, los "zabras", resultado de la unión de diferentes culturas, son los que ahora muestran el camino a la joven Nación representada por los cientos de jóvenes que participan en un espectáculo gigante de gimnasia. Y por supuesto, el cuadro "Soldados" que representa al Ejército de Defensa de Israel, sin el cual la historia de Israel no estaría completa, cierra esta representación.

Israel absorbió millares de olim de distintas culturas que se unen en Israel en forma simbólica en las danzas Israelíes.

Al final del espectáculo se unen todos los factores que tomaron parte en el programa, en una gran masa humana, lo que simboliza la relación y la unión del Pueblo Judío, el orgullo de pertenecer a este pueblo que dirige su mirada hacia el futuro: incrementando la Aliá y afianzando y fortaleciendo el crecimiento del Estado de Israel.

CEREMONIA DE APERTURA

DESCRIPCION DE LA CEREMONIA

1. El público que acuda a la Ceremonia de Apertura de la 13a Macabeada-la Macabeada Bar Mitzvá, verá, desde las tribunas del Estadio Nacional de Ramat Gan, el emblema de la 13a Macabeada que sobre el césped formarán miles de globos.

Recibimiento de Honor - Un toque de trompetas indicará la llegada del Presidente del Estado de Israel, Jaim Herzog, quien hará su entrada junto a su escolta, en automóviles oficiales y flanqueados por una guardia de honor motorizada.

Al descender el Presidente de su automóvil se oirá un toque de trompeta al tiempo que se izará su Bandera.

Los dirigentes de la Macabeada recibirán al Presidente, quien junto a ellos se dirigirá hacia sus asientos en el palco de honor, mientras que tres aviones, portando las banderas de Israel y la Macabeada, surcarán el cielo.

2. 650 niños de Macabi Tzair, que ya se hallarán en el Estadio soltarán miles de globos, y ante el atento público, formarán las palabras: "Maccabiah Bar Mitzvah". El cuadro terminará con un saludo al público.

3. Se da la señal para el comienzo del desfile de las delegaciones. Al frente del mismo, marcharán los abanderados de Israel, seguidos de inmediato por los representantes de la Macabeada Juvenil y las delegaciones, según orden alfabético, a cuyo frente aparecerá el nombre del país que representan y su abanderado.

Las delegaciones pasarán ante el Palco Presidencial, saludarán y se ubicarán sobre el césped central del Estadio.

Desfile con redoble de 100 tambores, seguidos por esgrimistas que constituyen la Guardia de Honor de la Bandera de la Macabeada.

Trece veteranos miembros del Movimiento llevarán la Bandera de la Macabeada, siendo acompañados por portadores de los emblemas de todas las Macabeadas, desde la primera hasta la presente.

200 violinistas vestidos de blanco salen de las casas de esta aldea y con la melodía de "El Violinista en el Tejado" marchan al centro, iluminados por reflectores. Se encienden las luces en todas las casas de la aldea y cientos de bailarines entran en escena mientras la iluminación aumenta gradualmente.

Comienza la danza con melodía de "El Violinista en el Tejado". La danza se compone de tres partes: Plegaria, Bodas y Brindis. Del fondo del escenario hace su entrada una carreta tirada por caballos y acompañada por 800 niños. Sentado en la carreta un actor-cantor que interpreta el rol del lechero Tuvia canta la canción "Si yo fuera Rotschild" y ocupa el centro del escenario.

Del lado opuesto del escenario hace su entrada un "tender" del año 40 y sentado en el mismo un actor-cantor que representa el rol de Salaj Shabati. El cantor entona una canción de la revista musical "Salaj Shabati" y se acerca al centro del escenario.

Tuvia y Salaj se encuentran en el centro del escenario, hecho que simboliza la amalgama de diferentes culturas en Israel. Dejan la escena juntos, con las melodías centrales de las dos revistas musicales combinadas.

Los niños ocuparán ahora todo el césped para una demostración gimnástica al final de la cual forman cuadrados. Dentro de los mismos irrumpen bailarines vestidos de soldados para un espectáculo "Seú Ziona Nes Vadeguel". Al término del mismo se despeja el centro del césped y los participantes levantan los brazos al firmamento donde aparecen paracaidistas, que descienden al centro del césped y saludan al público.

Los niños-gimnastas ingresan nuevamente para un espectáculo "La cadena" con ayuda de artefactos (aros). Al término del mismo, los niños forman flores gigantescas. Conjuntos de danzas israelíes hacen su entrada entre estas flores humanas.

A continuación, entrará al Estadio un escenario móvil a cuyo alrededor se ubicarán todos los participantes: los niños Bar-Mitzvá, los soldados, los niños-gimnastas y los grupos de danzas.

En el centro del escenario aparece un cantor famoso entonando la canción "Am Israel Jai". El público se une al cantante agitando banderitas. Un helicóptero aparece sobre el Estadio y suelta una lluvia de confetti. Todas las delegaciones se unen en danzas israelíes, y con manos entrelazadas entonan, junto con todo el público en el Estadio, el Himno de la Macabeada.

La Ceremonia se cierra con fuegos artificiales.

Se izará la Bandera de la Macabeada.

El público, de pie, entonará el Hatikva. El Presidente de la Ceremonia de Apertura se dirigirá al Presidente de Israel pidiendo su autorización para dar inicio a los Juegos de la 13a. Macabeada.

El Presidente anunciará la apertura oficial de los Juegos, luego de lo cual se efectuarán 13 disparos de bombas luminosas.

Se disminuirá la iluminación en el Estadio. El locutor anunciará la plegaria de IZKOR mientras se arria la bandera de Israel a media asta y el público y los atletas, de pie, guardan un minuto de silencio en memoria de los caídos en las guerras de Israel y acciones enemigas. Plegaria de IZKOR.

Toque de trompetas

En ese momento, harán su entrada al Estadio 100 portadores de hachones formando guardia a ambos lados de la trayectoria del portador de la Antorcha Macabea, quien entrará al Estadio, pasando ante el Palco Presidencial.

A continuación, ascenderá la escalinata hasta la cima para encender la Antorcha de los 13 Juegos Macabeos cuyo fuego acompañará a los mismos hasta su término.

Se pide a los abanderados de las delegaciones presentarse para la ceremonia del juramento. Estos formarán un medio círculo y los competidores y jueces procederán a prestar juramento.

A la señal, las delegaciones abandonarán el césped central a través de pasajes especiales y con la máxima celeridad ocuparán los asientos designados.

Simultáneamente, harán su entrada 600 niños portadores de antorchas que celebran su Bar-Mitzvá. Con rayos Laser se dibujará sobre el césped la Menoráh de siete brazos sobre la cual formarán los niños.

Tres niños cantarán en español, hebreo e inglés la canción que fué compuesta especialmente para este evento. La misma habla de la pertenencia al Pueblo Judío. En el centro del césped, aparece un "kleizmer" que ejecutará en el clarinete una melodía jasídica.

Mientras la atención del público se centra en este "kleizmer" los niños Bar-Mitzvá abandonan el césped central, y un escenario gigante de una aldea judía ocupa su lugar.

GREETINGS FROM THE MWU PRESIDENT

MARCOS ARBAITMAN

The presence of a record number of countries, especially the inclusion, for the first time, of countries from Eastern Europe, besides Singapore, Hong Kong, Portugal and South Korea, allied to the fact that we will be reaching our majority with the Barmitzvah Maccabiah, will transform the 13th Maccabiah into the biggest of all times.

Participation in the Maccabiah is an unequivocal demonstration of support to the People of Israel in a particularly difficult moment, where thousands of youngsters of the entire world express the vitality and importance of the Maccabi Movement.

Regional events in Europe, United States, Canada, Australia and the Americas, added to the growth of Maccabi, and, at many of these events, the presence of Arie Rosenzweig was fundamental in transmitting to the attending leaders, experiences of every competition, be it the European Maccabi Games, North American Maccabi Youth Games or Pan American Maccabi Games.

Our contribution must also be a positive one, so that we bring to Israel the largest number of athletes, leaders and attendants, on the highest level, to correspond with the great effort which is being made by the Organizing Committee.

Transportation, accommodation, nourishment and sport competitions must be complemented by cultural and educational events, so that it becomes a lifetime experience.

The support of the Government of the State of Israel will provide more amplitude and repercussion, with the firm backing of our promotional and public relations department.

To live a Maccabiah can mark an existence. To participate in a Maccabiah Barmitzvah is an opportunity of a lifetime.

Let us all be together in Ramat Gan on the next 3rd of July.

JAZAK VEEMATZ
