"Students Saluting the Maccabiah Games"

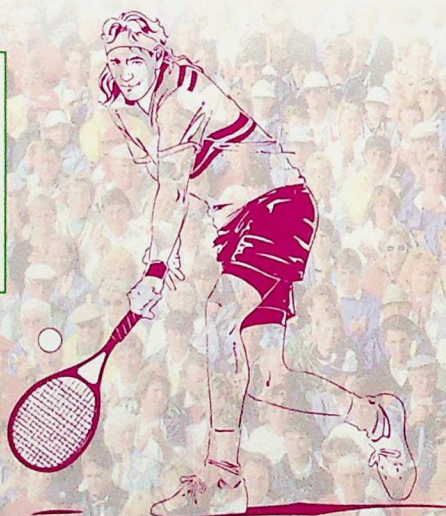

16 years

"Students Saluting the Maccabiah Games"

SEMEL '97

The Hebrew University student union, *Bnei Brith* Hillel Foundation and the World Union Maccabi Movement, will sponsor a unique encounter between athletes from all over the world and students from the Hebrew University of Jerusalem.

The 15th Maccabiah will be held in Israel in the summer of 1997. This is a major international sporting occasion and significantly it is being held in Israel exactly 100 years after the first Zionist Congress in Basle, Switzerland.

We are organizing a project in which we enable students from around the world and Israel to meet on a sporting, academic, and also informal basis. The name of the project is, "Students Saluting The Maccabiah Games." (SEMEL '97)

The program's goals are to strengthen links between Jewish Diaspora sportsmen and women and Israelis through sporting and academic meetings. This program is different from other similar events being organized during the Maccabiah as it aims to bring together different student populations of Israeli and Diaspora societies. The program, which will include sporting events (adventure sport activities) and seminars, is being planned on two levels - academic and athletic. The program will last five days and is being organized with the full cooperation of the Hebrew University Student Union.

This unique five - day student encounter, which is the first of its kind, will take place at the end of the Maccabiah events from July 25-29, 1997.

A detailed schedule of events of the SEMEL '97 program will be distributed later.

You are hereby invited to apply to the Israel SEMEL '97 committee.

*From the 25th of July to the 29th of
July, students from all over the world
will meet in Jerusalem, Israel.*
