CARNIVAL SONG

Look out
And see what's here
We can all enjoy

So many months of training
Now we are still here
Junior and Senior
In our Bicentennial year

All of us have worked so hard
Just look at what's been done
If everybody gives their all
We will all have fun

From across the land
Everyone will lend a hand
And make all our dreams come true
But now it's up to you

CHORUS

"These are the Carnivals of 1988
With young and old here
We can make it great
These are the Carnivals
Na Na Na time to celebrate
Na Na Na we can make it great"

Sydney welcomes everyone
Queensland, W.A.
South Australia, Victoria,
New Zealand, U.S.A.

So many years our past
5, 6 and 7th year
Turn your thoughts to Israel
for Maccabiah is near

Activities cater to the widest spectrum of members and guests' interests. They include chess, scrabble, yoga, figure and fitness classes, fencing, self-defence, weight watchers, toastmasters, table-tennis and our special card tournaments. There's a children's Games Room and children's dance and drama classes figure prominently. For top-to-toe beauty we have our very own Beauty Salon and for that extra glow a qualified masseuse is also on hand. There's also a travel agency to help you with your travel plans. Parking is no problem with underground parking on three levels.

Poker Machines: There's no skill or expertise required with these machines — just a dedication to the game and a will to win. Poker machines can be great fun and all our machines are the very latest models with maximum payouts of \$1,000.

... more than just a club

Jaffas Restaurant is superb: Capable of seating up to 200 the restaurant offers diners the ultimate in atmosphere. With its beautiful plush elegance, you can enjoy a selection of dishes from its outstanding range of international a la carte menu seven days a week. Plus our popular 3-course menu Sunday to Friday. An excellent selection of popular and vintage wines from the Club's well-stocked cellars is available.

There's fine entertainment with our very own pianist playing Sunday to Friday. Saturday nights enjoy the rhythmic tempo of our top bands. Our excellent service completes the picture.

On Sundays our Brunches are superb. (11 a.m.-1.30 p.m.). Major credit cards are welcome.

Swimming: Swimming is a special pleasure in our indoor, all year-round heated swimming pool.

There are separate change facilities for men and women offering change rooms, showers and saunas.

Children under supervision are most welcome.

Welcome to Hakoah, four floors of luxury and versatility.

It is one of the premier licensed clubs of Australia offering its members and visitors all the facilities and amenities associated with Sydney Club life, yet, with its own unique character and atmosphere.

Its presence adds a positive new meaning to the word 'Club'. It embodies many stylish features including a superb international restaurant, a magnificent Function Centre, sportsman's bar and swimming pool.

It is a place of entertainment and a meeting place for people with widely diverse interests and backgrounds.

It's a prestigious centre for businessmen and professionals to entertain guests or relax with friends. We even offer facilities for children, making us a family home-away-from-home as well.

This brochure allows you to appreciate just a few of the fine facilities which Hakoah has to offer. But in order to appreciate the special atmosphere, the unique quality which makes Hakoah more than a club in the usual sense, the Board and Management invite you to visit and see for yourself.

Slickers Bar and Coffee Lounge: It was built to honour our Club's Champion Soccer team and is decorated in fitting style as a tribute to the many championship honours of the team over the years. Comfortable lounge and bar seating, colour TV and poker machines — it's the ideal place for a beer, a cocktail or a delicious cappuccino and continental savoury snacks.

Gold Star Room: A smaller, tastefully decorated room adjunct to the restaurant, seating 30 comfortably. This room is perfect for that intimate dinner party.

Bistro — Supper and Espresso Bar: This well-appointed ground floor section of the Hakoah Club rates amongst our most popular. And it's easy to see why. From morning to closing time delicious continental food is available. Our buffet lunches are quite simply mouth-watering.

Our espresso bar with Danish pastries and other delicacies freshly made on the premises are a delight for the gourmet.

A fully-stocked liquor bar adjoins the area.

It all leads out onto a sunny, protected **barbecue terrace**, a delight for those who enjoy outdoor eating.

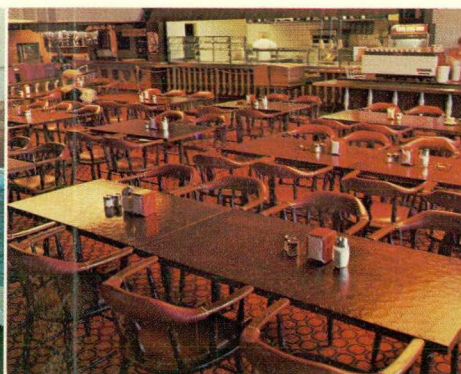

Function Centre: Is the word we use to describe our versatile 3rd floor room. Along with its luxury decor, the sheer size of this room is bound to impress. It is serviced by a fully equipped kitchen and a large annexe bar. This room is ideal for all kinds of entertainment needs, with flexible seating capacity running into hundreds for that grand ball, wedding reception or convention etc. or it can become as intimate as required for smaller functions, seminars and meetings. Pull back the beautiful gold curtain on its southern wall and the room can be converted into a comfortable cinema.

The large dance floor and our modern light, sound and stage facilities are sure to enhance the quality of every function.

The Annexe Bar area at the back of this function centre is ideal for smaller receptions or pre dinner and conference cocktails.

Card Auditorium: It has been described as the most luxurious card-room in the southern hemisphere.

Chess players enjoy the same fine facilities.
