JOE BOS **A.M.F. President's Message**

The wonderful response to this, our first Junior Carnival, is a tribute to those whose vision and hard work made it possible.

How fitting that this history making event should take place during the Golden Jubilee Year of Maccabi Carnivals.

For the first time Jewish sports men and women are meeting in interstate competition twice in the one year. And the fact that both the Junior and Open Carnivals are being held in Sydney bears witness to the dynamic drive of N.S.W. Maccabi president Michael Wrublewski and his many and dedicated administrators.

The response of the young Jewish sports men and women of Australia has been overwhelming.

At the last Open Carnival in Queensland 440 athletes took part. Yet in our first Junior Carnival more than 500 young Jewish people are this week gathered in Sydney to become part of the Maccabi tradition.

As your president, and on behalf of the Australian Maccabi Federation, I welcome you. I know that each and every one of you will bring credit to your State, your club and, above all, to yourselves.

I exhort you to strive to win — but, more important, be gallant in defeat.

Like your predecessors in Carnival, in many cases your parents and grand-parents, you will make many friends — and these friendships you will value more than your medals.

The bonds of sportsmanship will enhance the value of your life as young Australian Jews. May you all progress to competing in Open Carnivals and the ultimate goal of representing your country at Maccabiah.

Good Luck.

MICHAEL WRUBLEWSKI

Carnival Manager's Message

I take great pride and satisfaction in the knowledge that N.S.W. has shown the foresight and courage to instigate the first ever Australian Junior Sports Carnival. The response from all over Australia is overwhelming and must surely indicate to us all the desperate need for Maccabi to organise and cater for sport all year round for youth Under 16. It is vital that the Junior Carnivals become an integral part of the Maccabi and Jewish calendar.

Any event that can gather together over 400 children from all over Australia in its first attempt, must have the potential to grow beyond all expectations and I view our responsibilities as organisers of such an event of paramount importance to ensure its success now, as well as its continuation for ever more. For it will surely be the breeding ground for future State and Australian Maccabiah representatives. But even more important it will provide a continuation of youth and activity for all our clubs.

Any event requires much preparation and organisation and the 1st AUSTRALIAN MACCABI JUNIOR CARNIVAL is no exception. To achieve the results, which I am sure will become evident as the carnival progresses, I have been fortunate to work with the finest group of people whose dedication to Jewish sport and Maccabi is unquestionably the source of so much that is good in Australian Maccabi today.

For you, the children competing in this the first Junior Carnival, we have attempted to provide sport played at the best possible venues with the best available officials as well as instigating social and Jewish cultural activity that will make you feel not just that you are playing sport in a Jewish team, but that you are a "Jewish sportsman playing in a Jewish team".

I wish you all a wonderful and satisfying carnival, where I am sure you will make life-long friends, and in years to come, I hope you will be proud to say that you competed in an historic Jewish event, the FIRST AUSTRALIAN MACCABI JUNIOR SPORTS CARNIVAL.

ANDREW SIMONS N.S.W. Team Manager's Message

It is indeed a great honour to have been chosen to lead the home State to the 1st Australian Maccabi Junior Sports Carnival . . . I am grateful and humble to have been chosen.

There are numerous people and organisations who deserve the thanks of all team members — it is their help and effort which will ensure the success of the very formidable N.S.W. team at this first great carnival.

A sincere thank you:

- *To my assistant managers David Corrick, Rae Stein and Victor Topper for unselfish co-operation and assistance at all times.*
- *To the section managers and coaches for excellent organisation and preparation of all teams.*
- *To the organising committee for a wonderfully prepared carnival.*
- *To our team sponsors — HAKOAH CLUB — many, many thanks.*
- *To the Australian Jewish Times for their coverage of the team.*

And now a special message to the team members. Some of you will succeed at your sports, some may not — the carnival in no way stops at the conclusion of your event. Carnival affords a special opportunity for young Jewish sportsmen and sportswomen from all over Australia to meet both on and off the playing field. Carnival is a wonderful meeting place and I am sure from this carnival will grow many life-long friendships.

Congratulations to you all on being selected to represent N.S.W. I am sure the community will be very proud of our 1st Junior Carnival team.

REEVA ROSE Victorian Team Manager's Message

On behalf of Ajax Maccabi I wish to extend to N.S.W. Maccabi our best wishes for the success of this the first Australian Maccabi Junior Sports Carnival.

For the initiative shown in proposing a "Junior Carnival" and staging it at such short notice, Michael Wrublewski, and his Carnival committee indeed deserve praise and the appreciation of all Maccabi sporting bodies Australia wide.

Our thanks also go to the Sydney community for opening their homes to our 200 strong contingent of young people.

We wish all who participate in this carnival luck and look forward to friendly competition.

HOWARD JACKS

Queensland Team Manager's Message

On behalf of the Queensland team, I would like to say how honoured we are to be a part of this history making event, the first Australian Maccabi Junior Sports Carnival.

Our congratulations go to the A.M.F. for going ahead with this proposal and most deservingly to N.S.W. MACCABI for organising what will be a truly memorable event.

Although our participation in this Carnival is limited, we will certainly make our presence felt.

Our thanks go to all the people who opened their homes to the Queensland team and their hospitality is greatly appreciated.

Good luck to all competitors, play hard but fairly, as we are all winners participating in this great event.

GAVIN MORRIS **W.A. Team Manager's Message**

It gives me great pleasure to be W.A. Junior Carnival Team Manager. I also appreciate and congratulate this inaugural Junior Carnival Committee for all the time and effort that obviously has been put into planning the programme. I am sure that it will be a tremendous success and will lead to Junior Maccabi Carnivals becoming annual events.

I look forward to meeting my fellow Maccabim from other States.
